**Re: Michael Shaffer v. West Penn Power Company;  
Complaint Docket No. C-2017-2632821**

Dear Mr. Shaffer:

At this morning's hearing of the above-captioned complaint before Administrative Law Judge Conrad A. Johnson you objected, initially, to Exhibit No. 1 of West Penn Power Company on the ground that you did not have the exhibit. You withdrew your objection to the entry of the exhibit.

By this letter, sent by Certified U.S Mail, and out of abundance of caution, I am re-sending the four exhibits that I sent to you by First Class Mail on February 12, 2018.

Very truly yours,

  
John L. Munsch  
Attorney
