RE: Docket A-2018-2642220

Dear Ms. Chiavetta:

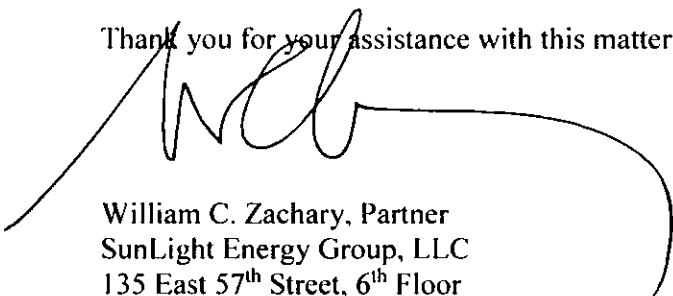

In connection with SunLight Energy Group LLC's application to serve as natural gas broker within the Commonwealth of Pennsylvania, enclosed please find the following information:

- 1) An amended Page 4, updating "Section 3.a, Affiliates" to list the names of companies also owned by three of the partners of SunLight Energy Group. These companies are involved in solar energy development and are not currently active in any way in Pennsylvania.
- 2) A *confidential* list of transactions completed to date and the expected commission to be earned on each trade (subject to actual power usage over time), and
- 3) A corrected Tax Certification Statement.

This information is in response to questions asked by Mr. Jeffrey McCracken of the Bureau of Technical Utility Services.

Please note that the list of transactions completed to date and the expected margin we earn on each trade are confidential business secrets, and we'd much prefer not to have this information be publicly available!

Thank you for your assistance with this matter.

Docket # A-2017-2639048 and A-2018-2642220

Dear Ms. Chiavetta:

Please note that the Applications and Financial Security contain a number of typographical errors. The formal and correct name of the applicant, consistent with the Pennsylvania Department of State, is SUNLIGHT ENERGY GROUP LLC and not SunLight Energy Group LLC as we had previously submitted.

This information is in response to questions asked by Mr. Stephen Jakab and Mr. Jeffrey McCracken of the Bureau of Technical Utility Services.

Thank you for your assistance with this matter.
