1. The name and contact information of the Petitioner is as follows:

2. My interest in this project is

*My husband and I own an 180 acre farm very near this
proposed transource utility line project. We have another huge utility
line within sight of our property. We know the disruption in land value
that is caused by these huge lines. This proposed line will impact the horse*

3. Existing participants in the filing may not understand: *farm where our granddaughter
works.*

*This proposed utility line is extremely negative. It disrupts the
current & full use of the agricultural land, impacts land value, brings
in huge metal structures that mar the beauty of the farms as
well as crews for maintenance & upkeep that leave marks/holes/problems.
This proposed line does not aid or benefit southern York County.*

4. The action of this Commission will

- *Cause preserved farm land to be null & void*
- *Will definitely impact land value for all future family members.*
