PROTEST

Pursuant to 52 Pa. Code Sections 5.51, *et seq.* and 66 Pa. C. S. Sections 1101, *et seq.*, [Name of
Protestant, or party filing the Protest] files this Protest to the Transource Filing Docket No. A-2017-
2640195. In support of this Protest, Hugh McPherson avers as follows:

1. The name and contact information of the Protestant is as follows:

JONATHAN R. HASH OF 1790 NEW PARK RD.
NEW PARK PA 17352

2. My interest in this project is as

A LANDOWNER, GRAIN FARMER, PLANTING and HARVESTING
SERVICES for local FARMERS. Resident (Lifetime) of Fawn Township
York County. 5th generation FARMER.

3. The grounds for our protest of this proposal:

1. Construction of the powerlines on the farmland will
diminish the yield of crops on and around it for years to
come. I have experienced this in other AREAS where these
lines exist.
2. The long lasting devaluation of the farmland both
economically and visually

4. This directly affects me by

1. Our smaller farm customers having their farmland
economically affected by the construction through yield reduction
of crops and vegetable-Fruit on farm sales being affected
by lower customer turnout because of their fear of being
around and underneath high voltage wires, while picking
fruit and vegetables.

WHEREFORE, Jonathan R. Hash respectfully requests Pennsylvania Public Utility Commission to investigate and the filing, and strongly impose a condition that all other existing rights of way and infrastructure should be utilized before any new power line projects are approved, and **the Commission should deny the Transource filing.**

Respectfully submitted,

Signed: _____
