PETITION TO INTERVENE

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Pursuant to 52 PA Code § 5.71, *et seq.*, David Good hereby files this Petition to Intervene in the above-captioned proceeding. In support thereof, David Good submits as follows:

1. The name and contact information of the Petitioner is as follows:

David Good – david.good@acalgroup.biz

2. My interest in this project is

Myself and entire family and friends and church are all located in southern York County and parents have a farm in Airville, PA. We love the farm and do not want it ruined by electrical power lines, nor appreciate the state trying to take our land without our consent or willing approval.

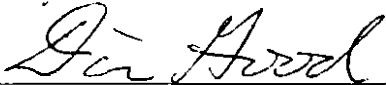

3. Existing participants in the filing may not understand: That many land owners live in southern York County for the purity and BEAUTY of the undefiled landscape!! That is part of the allure and reason we have chosen to live there and put our land in the state's land perseveration program! We did that to preserve our land, EVEN though it lessened what we could get for it monetarily!

4. The action of this Commission will take land from landowners, many of which are against this action and unhappy that the state would try to execute this with force and without our consent. It will ruin the unspoiled beauty of our landscapes and add unwanted noise to the beauty of southern York County.

WHEREFORE, David Good respectfully requests Pennsylvania Public Utility Commission to investigate and the filing, and strongly impose a condition that all other existing rights of way and infrastructure should be utilized before any new power line projects are approved, and **the Commission should deny the Transource filing.**

Dated: 14Feb2018

Respectfully submitted.
