**Re: Christopher Macey v. West Penn Power Company**  
**Docket No. C-2017-2628021**

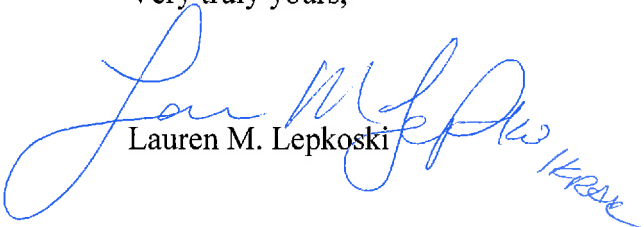

Dear Judge Watson:

On February 13, 2018, Christopher L. Macey (“Complainant”) issued discovery to West Penn Power Company (“Company”). In response to this discovery, the Company has contacted the Complainant to discuss.

Please allow this letter to serve as notice that while the above-captioned matter is still in the mediation phase of the above-captioned matter, the Company intends to try to attempt to coordinate with the Complainant to resolve any discovery disputes before it becomes necessary to file a motion, but the Company is reserving its right to object should that effort become futile and the parties need to move onward with hearing.

Should you have any questions or concerns regarding this information, please feel free to contact me.

Very truly yours,

  
Lauren M. Lepkoski
