**PETITION TO INTERVENE**

---

Pursuant to 52 PA Code § 5.71, *et seq.*, Timothy Krick hereby files this Petition to Intervene in the above-captioned proceeding. In support thereof, Timothy Krick submits as follows:

1. The name and contact information of the Petitioner is as follows: Timothy Krick,
2. My interest in this project is My Family Farm is in the direct path of the power line in York County.
3. Existing participants in the filing may not understand:
  - a. The electric no way benefits the citizens of York County
  - b. There are other options not explored, IE another line almost parallel to proposed line
  - c. This is making a huge negative impact on agriculture and preserved farm ground
  - d. The project has not proven tat it needs it.
  - e. By denying this project, everyone still has electric, no one will be without electric
  - f. By denying this project it will make a voice loud and clear that unnecessary projects will not be allowed in Pa
  - g. Pa residents should not be responsible for utilities in Maryland, Virginia and Washington DC
  - h. This will be devastating to prime farm ground and local businesses.
  - i. Will curtail the expansion for my children, grand children and future generations.

PA PUBLIC UTILITY COMMISSION  
SECRETARY'S BUREAU

4. The action of this Commission if it allows this to proceed
  - a. Destroy farming income
  - b. Allow the utility to trespass on private ground at their discretion
  - c. Will prohibit farm expansion for future generation for me and my children
  - d. Will succeed in making farm preservation null and void

WHEREFORE, Timothy Krick respectfully requests Pennsylvania Public Utility Commission to investigate and the filing, and strongly impose a condition that all other existing rights of way and infrastructure should be utilized before any new power line projects are approved, and **the Commission should deny the Transource filing.**

Dated: 1/25/18
