Dear Judge Watson:

In accordance with the Second Prehearing Order issued on November 28, 2017, please be advised that Pennsylvania Electric Company (“Penelec” or the “Company”) intends to present the following expert and fact witnesses at the hearing currently scheduled for May 8 and 9, 2018:

John C. Ahr
FirstEnergy
800 Cabin Hill Drive
Greensburg, PA 15601

Mr. Ahr will testify regarding Met-Ed’s Smart Meter Program

Michael Belanger
Itron Inc.
313 N. Highway 11
West Union, SC 29696

Mr. Belanger will testify regarding Radio Frequency

Scott Palmquist
Itron Inc.
4401 Bland Road
Raleigh, NC 27609

Mr. Palmquist will testify regarding Cybersecurity and Data Privacy

However, Penelec has not received any responses from the Complainant to the discovery responses issued to him by the Company. In light of the lack of response received from the Complainant, the Company may need to add additional witnesses should the Complainant provide responses to discovery or a witness notice. If that is the case, Penelec will provide an updated witness list as promptly as possible to both Your Honor and the Complainant.
