Dear Kenneth S. Antos:

We are pleased that Apollo Edison LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Apollo Edison LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Apollo Edison LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Apollo Edison LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Apollo Edison LLC changes in the future, Columbia Gas might deem it appropriate to require Apollo Edison LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4712 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Patricia Chang
