          Sale to 2270 S. 12<sup>th</sup> Street Holdings, LLC  
          Docket No. A-2018-3000351**

Dear Secretary Chiavetta:

On Monday, March 12, PPL Electric Utilities Corporation ("PPL Electric") received an informal request for additional information in the above-referenced proceeding. Below please find the requested information:

**1. Confirm that the name of the entity actually is "2270 S. 12<sup>th</sup> St. Holdings, LLC"**

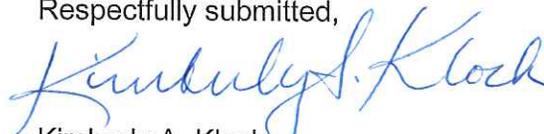

2270 S 12<sup>th</sup> St. Holdings, LLC is the correct name. This entity was created by CoreTech International in order to complete real estate purchases. More information on CoreTech International can be found at its website: <http://www.coretechinternational.com/>

**2. Provide a description of what the entity does.**

CoreTech International manufactures core cutting equipment and systems and they plan to move their operations to the building on Susqui St. They build machines that manufacture cores for various products. For example: 3M uses a plastic core for a role of tape. CoreTech makes the machines that 3M uses to produce the plastic cores.

If any further information is needed to process PPL Electric's Application, please do not hesitate to contact me.

Respectfully submitted,

  
Kimberly A. Klock
