RE: C-2018-2647078

To Whom It May Concern:

This letter is in response to a complaint filed on February 23, 2018 for failure to maintain evidence of Liability Insurance with the Public Utility Commission. The omission occurred as we changed insurance carriers during the 4th quarter of 2017. A Form E was submitted on our behalf on March 2, 2018 from Sandy Spring Insurance.

I request that the penalty of \$500 be waived as our carrier provided the updated Form E as requested within the allotted time frame. Please let me know if further information is required. I appreciate your understanding.
