**Re: Medical Certificates and Accounts with Arrearages in Excess of \$10,000
Docket No. M-2014-2448824**

Dear Secretary Chiavetta:

Enclosed please find Duquesne Light Company's reports pursuant to Sections 1410.1(3) and 1410.1(4) regarding medical certificates and accounts in excess of \$10,000.

At the end of 2017, Duquesne Light had 51 active residential accounts with a balance of \$10,000 or above. Out of that total, 28 (55%) are customers that were removed from CAP after not renewing in the program causing frozen arrearages to become delinquent and increasing the outstanding balance above the \$10,000 threshold. There are 9 customers (18%) that were able to avoid termination by utilizing holds, such as medical certificates, PUC complaints or payments. The remaining 14 (27%) customers have been placed in the collection process.

If you have any questions regarding the information contained in this filing, please contact myself or Audrey Waldock at 412-393-6334 or awaldock@duqlight.com.

Sincerely,

A handwritten signature in blue ink that reads "Shelby A. Linton-Keddie".
