RE: Docket #C-2018-3000170

Dear Ms. Chiavetta:

With regard to the above mentioned case we no longer have time in our lives to pursue this due to things in my life. However let it be known that there are inconsistencies in your document.

Again I will reiterate the following:

- Letter was mailed on July 15, 2011.
- **WE NEVER RECEIVED ANY NOTICE BY MAIL REGARDING THE INSTALLATION.** If we did we would have stopped it right then and there.
- You violated my rights of trespassing on my property.

This just shows how consistent the government and such railroad its' citizens.

Sincerely,

Roy and Grace Rowland
