**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Pennsylvania Public Utility Commission	:

v.	:	Docket No. R-2018-2647577
	:	
Columbia Gas of Pennsylvania, Inc.	:	

**COMMUNITY ACTION ASSOCIATION OF PENNSYLVANIA'S
PETITION TO INTERVENE**

NOW COMES, the Community Action Association of Pennsylvania (CAAP), by and through counsel, Joseph L. Vullo, Esquire, and petitions to intervene in the above-captioned matter, averring as follows:

1. The Petitioner, Community Action Association of Pennsylvania, is a statewide association representing Pennsylvania's community action agencies that provide anti-poverty planning and community development activities for low-income communities and services to individuals and families.

2. For more than 30 years, one of CAAP's primary missions has been to represent the energy interests of low-income citizens in proceedings before the Pennsylvania Public Utility Commission and as such, CAAP has a direct and substantial interest in this proceeding that cannot be adequately represented by any other party.

3. CAAP is comprised of forty-two member agencies including agencies in the Columbia Gas of Pennsylvania's service areas. Specifically, the agencies listed in Exhibit A attached are members of CAAP and customers of Columbia Gas.

4. CAAP seeks permission to intervene in Columbia Gas of Pennsylvania, Inc.'s request for a general rate increase pursuant to the above-captioned docket number.

5. CAAP has intervened and has been granted intervention and active party status in prior rate and/or acquisition cases before the Pennsylvania Public Utility Commission. CAAP

was granted intervenor status in prior rate cases filed by Columbia Gas of Pennsylvania, Inc. (Docket No. R-2008-2011621, Docket No. R-2012-2321748 and Docket No. R-2016-2529660).

6. CAAP seeks permission to intervene in Columbia Gas of Pennsylvania, Inc.'s request for a general rate increase to examine the effect of the proposed rate increase on their customers, particularly low-income customers.

7. CAAP is also intervening to investigate whether the Company's universal service programs are appropriately funded and available and if those programs will be appropriately funded and available if the proposed rate increase is granted.

8. CAAP's participation as an active party in this proceeding is required to protect its substantial interests and the substantial interests of the low income citizens it represents in ensuring that utility rates remain affordable to its clients. Accordingly, CAAP's participation in this proceeding will serve the public interest.

9. Because CAAP represents low-income citizens in the Company's service areas, the interests of its clients are not protected by any other party to this action.

POSITIONS

10. CAAP takes no position at this time regarding the Company's request for rate increase but CAAP's participation in this proceeding is, in part, to study the effect of the proposed rate increase and structure on the Company's low-income customers and whether the Company's universal service programs will be appropriately funded and available.

11. There is a substantial public interest in ensuring that the Company's universal service programs are appropriately funded and available and the effect, if any, on those programs if the proposed rate increase is approved.

REQUEST FOR RELIEF

WHEREFORE, CAAP respectfully requests that the Commission:

1. Receive for filing and docket this Petition to Intervene and order that CAAP be an active party to such proceedings and be placed on all services lists.

2. Order that the following individuals be designated as CAAP's recipients for service:
