I recently went from two incomes , down to one. I am a single mother who is supporting at 12 yr old son. I have fallen on really hard times and im trying my best . I haven't been able to pay my bill since Jan. I made a payment in January.

I have a shut off for April 11th , 2018. I have to have my payment in by /on Tuesday April 10th. It will be \$523.00. I am pulling out everything I have to pay this amount.

I can pay this, but I can not turn around and pay my other amount on the 13th. Im just looking for something to help me out.

Please let me know , as soon as you can .

Thanks
