To Whom It May Concern:

In accordance with the 20 PA. Code § 62.105, promulgated by the Public Service Commission of Pennsylvania, and the Asset Purchase Agreement between the parties, Hiko Energy, LLC ("Hiko Energy") and Verde Energy USA Pennsylvania, LLC ("Verde Energy"), jointly provide notice of an assignment of customer contracts from Hiko Energy to Verde Energy. Hiko Energy does not intend to withdraw its license because it intends to continue acquiring and serving customers in Pennsylvania.

Please contact the undersigned with any questions about this matter.

Sincerely,

Gil Melman
Vice President and General Counsel

NO ACTION REQUIRED: Your service will continue under your current service agreement without interruption.

Dear «Customer_Name»,

Hiko Energy, LLC ("Hiko Energy") has appreciated the opportunity to serve as the energy service company of «Commodity» for your «Utility» account. We are writing to let you know that Hiko Energy will assign your «Commodity» service to Verde Energy USA, LLC ("Verde Energy"), another certified retail energy supplier licensed by the «State» Public Service Commission, effective with your first meter read date after «Transfer_Date». After such date, you should contact Verde Energy directly regarding your «commodity» supply service.

Verde Energy is run by an experienced team of energy experts with decades of retail energy supply and utility experience. The Verde Energy team's experience in deregulated energy markets enables them to offer competitive prices and friendly customer service.

No action is required on your part when this transfer occurs. Verde Energy will honor your current agreement in place with Hiko Energy and there will be no changes to the terms or conditions through the life of your current contract. This transfer will not cause an interruption of your «commodity» services and you should continue to pay your «Utility» bill as normal and call «Utility» in case of an outage or emergency just as you do today. The same quality support and service that you are used to with Hiko Energy will continue with Verde Energy.

If you have a fixed rate plan with Hiko Energy, your service will continue with the same fixed rate until the end of your contract term or upon cancellation of service (early termination fees may apply if your current contract provides for them). If you are currently served under a variable rate with Hiko Energy, your service will continue under the same variable «commodity» rate. You may also contact Verde Energy directly to see what other options are available to you, including new options with Verde Energy when your contract expires.

If you have any questions about the transfer of service, please contact Hiko Energy by «Transfer_Date-X». For your convenience, the contact information for both companies is shown below. We thank you for the opportunity to serve you and we are confident you will enjoy your new service with Verde Energy.

Kind Regards,

Nathan Kroeker
Chief Executive Officer and President
