RE: Act 127 Pennsylvania Pipeline Operator Annual Registration Form  
Docket No. A-2013-2355167

Dear Ms. Chiavetta,

This letter is in response to the PA PUC Data Request dated March 26, 2018 regarding reconciliation of reported pipeline mileage on Susquehanna Gathering Company I, LLC's 2017 Act 127 Annual Registration Form.

- A. The Class 1 gathering mileage installed in 2017 and reported in Section 12 should read 7.4 miles, not 6.4 miles. This was a transcription error.
- B. The Class 2 gathering and transmission mileage installed in 2017 and reported in Section 12 should read 2.6 miles, not 2.7 miles. This error was a result of a rounding error in a spreadsheet and has been corrected.

My apology for the inaccuracy and thank you very much for bringing these issues to our attention.

I, Philip W. Coleman, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to provide the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904.
