

To the Pennsylvania Public Utility Commission,

I am writing this in response to the notice I received in the mail from your office.

At this time I am not currently operating any commercial vehicles under South Mountain Transport LLC. I have leased the truck I own with another company that put it under their insurance. That is why I cancelled my insurance in January of 2018.

I also have moved out of the state of Pennsylvania, and am changing the legal information of the company to reflect that change.

Signed,

Eric Sweigart (Owner)
