**Re: *Susquehanna County Commissioners c/o Martin Kane v.  
Frontier Communications; Docket No. C-2018-3001343***

Dear Secretary Chiavetta:

Frontier Communications ("Frontier") respectfully requests an **extension of approximately thirty (30) days, or until June 13, 2018**, in which to file an Answer and/or any other responsive pleading to the above-referenced Complaint. The Answer is currently due to be filed on May 14, 2018.

Frontier is actively reviewing and investigating the allegations and accompanying documentation set forth in the Complaint. However, given the volume of information and the scope of Complainant's claims, additional time will be needed for Frontier to complete its review and investigation and be in a position to adequately and meaningfully respond to the Complaint. Frontier also intends to use the additional time to reach out to Complaint to discuss the allegations set forth in the Complaint and to explore a possible amicable resolution to the matter.

Frontier spoke with Complainant's attorney, Michael Giangrieco, Esquire, by telephone on May 4, 2018 to discuss the extension request, and Mr. Giangrieco authorized Frontier to represent that Complainant has no objection to the proposed extension.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in blue ink that reads "Carl Yastremski".

Manager, Regulatory Affairs
