**Re: Act 127 Pennsylvania Pipeline Operator Annual Registration Form  
Docket A-2012-2293101**

Pennsylvania Public Utility Commission,

On April 10, 2018 we received a data request (The Notice) regarding our Act 127 Report Operator Annual Report Form. The Notice requested explanations of differences between 2016 and 2017 calendar years. While a full comparison of the differences is listed in Attachment A - LMM, there was one error found in our report. The Mileage for 2017 for Fayette County (reported as 1.5 miles) was erroneously switched with the mileage for Westmoreland County (reported as 11.9 miles). This gives a change of zero miles for the 2016 and 2017 years for Class 1 Trans & Distribution in Fayette and Westmoreland Counties. An updated Act 127 Report is provided and submitted via the e-filing.

Provided in Attachment A - LMM is a detailed response to each of the differences noted in The Notice. We will note here, that the changes were caused by class location changes, mapping system changes or new pipe being installed.

If you have any additional requests regarding this notice, please do not hesitate to contact me by phone, mail, or email.
