- g. The New York Public Service Commission ("PSC") does not current require licensure or registration for brokers of electric and gas, and therefore, the O.E. Group does not have any New York license information to provide in response to this request.

The O.E. Group refers to the PSCs website for more information: <http://www3.dps.ny.gov/W/PSCWeb.nsf/All/753D3D35C877963485257687006F39DB?OpenDocument> which provides that brokers and aggregators are not currently required to be licensed but must comply with the PSC's Uniform Business Practices ("UBPs").

Response to Data Request 8:

- h. A corrected Application Affidavit and Operations Affidavit is attached.

The O.E. Group looks forward to providing natural gas broker services in Pennsylvania. Thank you for your attention to this application.

Very truly yours,

Gabrielle A. Figueroa

Dear Mr. Bergman:

We are pleased that The O.E. Group Inc. has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples Natural Gas Company LLC – Equitable Division, and Peoples Gas Company LLC (formerly Peoples TWP) ("the Companies").

Since The O.E. Group Inc. is not currently serving customers on the Peoples systems, we have determined at this time that The O.E. Group Inc. does not need a bond or other financial security requirement to provide these services to the Company's customers.

If a Pool is established, and customers are enrolled which alters the creditworthiness requirement or the Company's exposure to The O.E. Group Inc. provision of services on the Peoples' system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at Lynda.W.Petrichevich@peoples-gas.com.

RE: O.E. Group Inc. application to serve as a Natural Gas Broker

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

Dear Ms. Figueroa,

Based on your assertion that O.E. Group Inc., ("O E GROUP") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that O. E. GROUP will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that O. E. GROUP will not be taking title to gas or directly serving end use customers. This also assumes that O. E. GROUP will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU tariffs. If O. E. GROUP wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

David E. Lahoff

Dear Charles Bergman:

We are pleased that The O.E. Group Inc. has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, The O.E. Group Inc. could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. The O.E. Group Inc. has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that The O.E. Group Inc. does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to The O.E. Group Inc. changes in the future, Columbia Gas might deem it appropriate to require The O.E. Group Inc. to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4712 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

RE: The O.E. Group, Inc.

Dear Gabrielle:

We understand that The O.E. Group, Inc. has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania including our company's service area.

Because The O.E. Group, Inc. intends to only provide natural gas aggregating, brokering and consulting services at this time, we have determined that The O.E. Group, Inc. will not be required to post a bond or other form of financial security instrument to provide these services in our service area. However, if the services provided change in the future, we reserve the right to require security from The O.E. Group, Inc. as deemed appropriate.

If you have any questions, please contact Jamie Levering at 570-888-9664.

Re: Security Requirement Bond for The O.E. Group Inc.

Dear Mr. Bergman:

Philadelphia Gas Works ("PGW") is aware that The O.E. Group Inc. has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, The O.E. Group Inc. must furnish acceptable security to each utility where The O.E. Group Inc. will do business. As such, under its tariff, Philadelphia Gas Works could require The O.E. Group Inc. to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that The O.E. Group Inc. intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that in performing these services The O.E. Group Inc. will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, The O.E. Group Inc. does not need to post a bond or other form of security to operate in its service territory. If the services provided by The O.E. Group Inc. should change, Philadelphia Gas Works reserves the right to require security from The O.E. Group Inc. as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 215-684-6725.

Re: Security Requirement for The O. E. Group Inc.

Dear Charles,

National Fuel Gas Distribution Corporation ("NFGDC") is aware The O. E. Group Inc. (OEG) has filed an application with the Pennsylvania Public Utility Commission to supply natural gas service to the public in Pennsylvania and specifically within the service territory of NFGDC.

As you know, in making such an application, OEG must furnish acceptable security to each utility where OEG will do business. As such, under its tariff, NFGDC could require OEG to provide a bond or other financial security instrument in an amount that NFGDC determines to be appropriate.

However, you have indicated, and it is NFGDC's understanding that OEG intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, OEG will never take title to any delivered natural gas.

Based upon your representations, NFGDC has determined that, at this time, OEG does not need to post a bond or other form of security to operate in its service territory. However, if the services provided by OEG change in the future, NFGDC reserves the right to require security from OEG as it deems appropriate.

Re: Broker Requirements

Dear O.E. Group Inc:

PECO is aware that O.E. Group Inc has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, O.E. Group Inc could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. O.E. Group Inc has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers, and will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that O.E. Group Inc does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by O.E. Group Inc or the creditworthiness requirement for PECO's exposure to O.E. Group Inc changes in the future, PECO reserves the right to require O.E. Group Inc to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.
