Re: Please remove a document which I submitted, which contains confidential information from the PUC Public view website in my case: C-2015-2475726.

Dear Ms. Chiavetta:

This is a follow up to an email I sent earlier this week. In looking over my docket on the PA PUC website, I was surprised to see a document I wrote dated April 30, 2015 publicly posted on the PUC website under my docket number C-2015-2475726.

I had sent that information in before I was represented by counsel, and before I found out that the PUC might post confidential information about me on its publicly accessible website.

Please take it down from public view, and secure it the private folder attached to my case pursuant to Judge Heep's protective order. I believe that type of confidential document has been labeled "restricted" in other smart meter harm cases and certain other cases before the PUC.

The PA PUC website currently has posted this document publicly under the title: "Reply to Answer" with the date 5/1/2015.

Please confirm that the posting has been removed. My email address is on file in the PUC efile system:

[sunmur@gmail.com](mailto:sunmur@gmail.com) or [sunmurphy@verizon.net](mailto:sunmurphy@verizon.net).

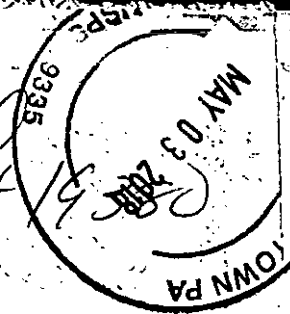

Thank you for your prompt assistance in this matter.

Sincerely yours,

  
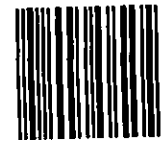

Laura Sunstein Murphy
