**PETITION TO INTERVENE  
OF CHARGEPOINT INC.**

Pursuant to 52 Pa. Code §§ 5.71 et. seq., ChargePoint, Inc. (“ChargePoint”), hereby petitions to intervene in the above-captioned proceeding, out of time, for good cause shown. In support of this Petition, ChargePoint states as follows:

1. On March 28, 2018, Duquesne Light Company (“Duquesne”) filed a request for a base rate increase of approximately \$133.8 million. Net of changes in surcharges, the resulting increase would be approximately \$81.6 million.
2. ChargePoint is the world's largest and most open electric vehicle (“EV”) charging network, with nearly 49,000 independently owned and operated Level 2 and DC fast charging spots, including stations deployed throughout Pennsylvania and in the service territory of Duquesne.
3. Nationwide, ChargePoint has thousands of customers, including major employers, municipalities, universities, real estate developers and parking garage facility owners and operators providing EV charging and related services to EV drivers. Stations in ChargePoint's network are

almost exclusively owned and operated by these EV charging station site hosts, which provide EV charging services to EV drivers.

4. ChargePoint has been an active participant in the Pennsylvania Public Utility Commission's ("Commission's") Third Party Electric Vehicle Charging - Resale/Distribution proceedings at Docket No. M-2017-2604382 and strongly supports a statewide regulatory approach to complement and accelerate the competitive EV charging market and advance transportation electrification throughout Pennsylvania in an equitable, efficient, and sustainable manner..

5. ChargePoint's interests are substantially different than those of any other party to the proceeding. Specifically, Duquesne's filing includes a proposal to implement an EV ChargeUp Pilot program in their service territory. Moreover, in Duquesne's Statement No. 6, the Direct Testimony of Joseph G. Dematteo, included therein as Exhibit JD – 3, "Driver's Checklist: A Quick Guide to Fast Charging" is a document published and created by ChargePoint. ChargePoint seeks to provide evidence and information in support of its own materials and Duquesne's proposed EV Pilot program in this proceeding.

6. In its efforts to comply with PA PUC Rule 1.22, until recently, ChargePoint was unable to secure Pennsylvania legal counsel, without conflicts, to represent ChargePoint in these proceeding. As a result, ChargePoint was unable to formally participate in the May 3, 2018 initial telephonic prehearing conference in this matter. However, ChargePoint has since secured local counsel and intervention by ChargePoint will not cause confusion or delay the conclusion of this proceeding. ChargePoint's intervention will clarify certain issues and contribute to the development of a complete record based on its unique, significant interests, which, as noted above,

are substantially different than those of any other party to the proceeding. Moreover, ChargePoint will not seek to delay the proceeding in any manner and hereby agrees to accept any agreements reached by the parties thus far, and any order or rulings with respect thereto.

7. ChargePoint has engaged, and will be represented in this case by:

8. All documents and notices in this proceeding should be served on the above counsel. Further, pursuant to 52 Pa. Code § 1.54(b)(3), Mr. Hicks consents to the electronic service of all documents at the e-mail address shown above.

9. No other party to this proceeding represents the interests of ChargePoint and its customers in the Duquesne service territory.

10. ChargePoint intends to actively participate in this proceeding on such matters that affect its interest and the interest of its customers in Duquesne service territory. Such participation may include the presentation of direct or rebuttal testimony and the cross-examination of witnesses presented by Duquesne and other parties to this proceeding.

WHEREFORE, ChargePoint respectfully requests the right to intervene, for good cause shown, as an active party in this proceeding.

Respectfully submitted,
