Re: Act 127 Pennsylvania Pipeline Operator Annual Registration Form

Dear Ms. Chiavetta:

In response to the Pennsylvania Public Utility Commission's letter to R.E. Gas Development, LLC (Docket A-2012-2294557), dated April 17, 2018, please find the supporting information and verification below for the 2017 Act 127 Pennsylvania Pipeline Operator Annual Registration Form.

Section 12. Operational Information – This section should have contained the following explanation of variations and deletions from the previous year's registration:

Butler County – The change in mileage from 0.0 miles to 0.9 miles is due to the correction of an error in the 2016 and previous years' registrations, which mistakenly listed a R.E. Gas Development, LLC gathering line built in Butler County 2012 in Lawrence County mileage.

All mileage is Class 1 Gathering - Unconventional.

Lawrence County – The change in mileage from 2.1 miles to 1.1 miles is due to the correction of the error described above, which mistakenly listed a R.E. Gas Development, LLC gathering pipeline built in Butler County in 2012 in the Lawrence County mileage. Additionally, 0.1 miles from a Tennessee Natural Gas Meter Connection were removed from the Lawrence County mileage this year because the pipeline in this area is custody of Tennessee Natural Gas.

All mileage is Class 1 Gathering – Unconventional.

A summary of the R.E. Gas Development, LLC owned pipelines are in the table below.

Butler County		Lawrence County	
Cheeseman WP to NFG Meter HP Pipeline	0.9 miles	Patterson WP to Patterson Compressor LP Pipeline	0.3 miles
		Patterson Compressor to TNG Meter HP Pipeline	0.2 miles
		Patterson WP HP Compressor Bypass Pipeline	0.3 miles
		Patterson Gas Lift Pipeline	0.3 miles
TOTALS	0.9 miles		1.1 miles

If you should have any questions regarding the information provided or need anything else regarding the Act 127 Registration or R.E. Gas Development LLC's assets, please contact Richard Watson directly at 724-814-3234.

I, MICHAEL ENDLER, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter.
