**NO ACTION REQUIRED:** Your service will continue under your current service agreement without interruption.

Dear «Customerfirstname» «Customerlastname»,

Oasis Energy, Inc. ("Oasis") has appreciated the opportunity to serve as the Natural Gas Supplier (NGS) for your «Utility» account. However, in accordance with your terms and conditions, we are writing to let you know that Oasis will assign your natural gas service to Verde Energy USA Pennsylvania, LLC ("Verde"), another NGS licensed by the Pennsylvania Public Utility Commission, effective with your first meter read date after the assignment transaction, on approximately July 26, 2018. After such date, you should contact Verde directly regarding your natural gas supply service.

Verde is run by an experienced team of energy experts with decades of retail energy supply and utility experience. The Verde team's experience in deregulated energy markets enables them to offer competitive prices and friendly customer service.

**No action is required on your part when this transfer occurs. Verde will honor your current agreement in place with Oasis and there will be no changes to the terms or conditions through the life of your current contract. This transfer will not cause an interruption of your natural gas services and you should continue to pay your «Utility» bill as normal and call «Utility» in case of an outage or emergency just as you do today. The same quality support and service that you are used to with Oasis will continue with Verde.**

If you have a fixed rate plan with Oasis, your service will continue with the same fixed rate until the end of your contract term or upon cancellation of service (early termination fees may apply if your current contract provides for them). If you are currently served under a variable rate with Oasis, your service will continue under the same variable natural gas rate. You may also contact Verde directly to see what other options are available to you, including new options with Verde when your contract expires.

If you have any questions about the transfer of service, please contact Oasis by July 25, 2018. For your convenience, the contact information for both companies is shown below. We thank you for the opportunity to serve you and we are confident you will enjoy your new service with Verde.
