Re: Agreement for Street Sweeping and Stormwater Inlet  
Cleaning Responsibilities - PAWC Scranton Combined  
Sewer System

Dear Attorney Eskra:

Please find enclosed the above referenced Agreement for review and signature by the City of Scranton. Regular street sweeping and stormwater inlet maintenance activities are critical tasks required to ensure the continued performance of the combined sewer system that services the City of Scranton. Accordingly, the Pennsylvania Public Utility Commission is requiring that Pennsylvania American Water Company (PAWC) submit the enclosed Agreement to the City in order to memorialize our current cooperative arrangement for completing these important activities.

Please review, and if acceptable, have the Agreement executed and then return to my attention. Once fully executed I will return a copy for your records. Should you have any questions or require any further information please contact me at 570-351-0131 or [daniel.rickard@amwater.com](mailto:daniel.rickard@amwater.com).

Sincerely,

Daniel Rickard, P.E.
