Dear Ms. Chiavetta-

I would like to explain to you the events which regarding my complaint. I originally cancelled my insurance from Rockwood Insurance Company and immediately activated my insurance with Erie Insurance Company. There was NO time lapse during this transaction. In addition, the motor vehicle was not being operated. Erie Insurance Company was notified, by myself, to submit all necessary paperwork to the PUC regarding this change. Apparently, they did not submit the proper paperwork (the Form E) which should have been filed with the PUC. At this time, the proper paperwork should be filed with the PUC. Erie Insurance Company assures me the proper paperwork has now been submitted and should be on file for your review.

If you have any further questions please feel free to contact me @ 570-527-6292.

Thank you for your attention to this matter.
