

C-2018-3002221

Rosemary Chiavetta

Pennsylvania Public Utility Commission,

I recently filed a complaint because numerous electric providers contacted my father in law who in turn changed his provider numerous times. I am now being contacted by these companies who have now put him on their do not contact list. Which is good, but now they want me to withdraw my complaint. My goal is to help other families who are in the same situation. I would like to see PECO who was my father in laws original company be able put on his account "DO NOT CHANGE". At this point there is very little a family can do to stop this from happening. Please find enclosed the letters I am receiving from these companies and lawyers.

Thank you,

George McClay
