Re: Assignment of Customer Contracts from Oasis Power, LLC (A-2010-2205479), to Verde Energy USA, Inc. (A-2010-2151038)

To Whom It May Concern:

Pursuant to the assignment rules of Pennsylvania Public Utility Commission and the ongoing relationship between the parties, Oasis Power, LLC ("Oasis") and Verde Energy USA, Inc., ("Verde") jointly provide notice of an assignment of customer contracts from Oasis to Verde. The effective date of the transfer will be the customer's first meter read date on or after July 17, 2018.

Included with this notification is a copy of the letter which provides assigned customers with 30 days' advanced notice of the transfer. Please see the attached table for number of assigned customers by utility territory. The existing terms and conditions, including pricing, will remain the same for the remainder of all existing contract terms. Oasis, through counsel, attests that present customer contracts allow for assignment.

Oasis does not intend to withdraw its license because it intends to continue acquiring and serving customers in Pennsylvania.

Please contact the undersigned with any questions about this matter.

Sincerely,

Karen White
Regulatory Counsel

Utility: «Utility»

Account Number: «UtilityAccountNumber»

NO ACTION REQUIRED: Your service will continue under your current service agreement without interruption.

Dear «Customerfirstname» «Customerlastname»,

Oasis Energy, Inc. ("Oasis") has appreciated the opportunity to serve as the Electric Generation Supplier (EGS) for your «Utility» account. However, in accordance with your terms and conditions, we are writing to let you know that Oasis will assign your electric service to Verde Energy USA, Inc. ("Verde"), another EGS licensed by the Pennsylvania Public Utility Commission, effective with your first meter read date after the assignment transaction, on approximately July 17, 2018. After such date, you should contact Verde directly regarding your electric supply service.

Verde is run by an experienced team of energy experts with decades of retail energy supply and utility experience. The Verde team's experience in deregulated energy markets enables them to offer competitive prices and friendly customer service.

No action is required on your part when this transfer occurs. Verde will honor your current agreement in place with Oasis and there will be no changes to the terms or conditions through the life of your current contract. This transfer will not cause an interruption of your electric services and you should continue to pay your «Utility» bill as normal and call «Utility» in case of an outage or emergency just as you do today. The same quality support and service that you are used to with Oasis will continue with Verde.

If you have a fixed rate plan with Oasis, your service will continue with the same fixed rate until the end of your contract term or upon cancellation of service (early termination fees may apply if your current contract provides for them). If you are currently served under a variable rate with Oasis, your service will continue under the same variable electric rate. You may also contact Verde directly to see what other options are available to you, including new options with Verde when your contract expires.

If you have any questions about the transfer of service, please contact Oasis by July 16, 2018. For your convenience, the contact information for both companies is shown below. We thank you for the opportunity to serve you and we are confident you will enjoy your new service with Verde.

Kind Regards,

Nathan Kroeker
Chief Executive Officer and President

Frequently Asked Questions

Will my electric service be cut off?

No, this transfer will not cause an interruption of your electric services and you should continue to pay your «Utility» bill as normal.

Who do I call in case of a power outage or emergency?

Your Utility has not changed; you should call «Utility» for any outage or emergency just as you do today.

Will my current rate change?

If you have a fixed rate plan with Oasis, your service will continue with the same fixed rate until the end of your contract term or upon cancellation of service (early termination fees may apply). If you are currently served under a variable rate with Oasis, your service will continue under the same variable electric rate. After July 16, 2018 you may also contact Verde directly to see what other options are available when your contract expires.

Will my meter read cycle or utility charges change?

No, you will continue to receive your bill from «Utility» as you always have. The only change is that Verde will now be listed as the EGS.

What will happen to my contract / agreement with Oasis?

Contract assignment is allowed per the terms and conditions of your Oasis agreement. Verde will honor your current agreements with Oasis, so no changes will occur with their terms or conditions until the contract end date. If you are an Oasis customer on a Variable Rate Plan, the variable electric rate will continue to remain on the same variable rate. You will also be eligible to renew to a fixed rate plan with Verde.

My contract was about to expire with Oasis, what does this mean for me?

If the contract expires before the effective date of your transfer, your service will continue under the Oasis variable rate unless you choose a new fixed rate from Verde. If your contract expires after the effective date of your transfer, contact Verde for their current plan offerings.

Do I need to do anything to switch to Verde?

No, you will not need to do anything. We will make this transition as smooth as possible for you. Oasis will assign your electric service to Verde, another EGS licensed by the Pennsylvania Public Utility Commission.

When can I expect Verde to become my official EGS?

Oasis will assign your electric service to Verde, another EGS licensed by the Pennsylvania Public Utility Commission, effective with your first meter reading date after the assignment transaction, on approximately July 17, 2018.

Will I need to sign up with Verde or go through a credit check again?

No, Verde welcomes you as their customer in a clear and hassle-free way.

How will I know when I have started services with Verde?

Verde will appear as your EGS in the Energy Supply portion of your utility bill.

Will I be able to opt out of the switch to Verde?

You can only opt out of the switch to Verde by requesting to drop to «Utility» or switch to another EGS while active with Oasis. Early Termination Fees will apply if set forth in your current contract with Oasis and only if you cancel your agreement with Oasis prior to the end of your contract term. Your Early Termination Fee would be \$«ETF».

Who do I contact should I have questions?

If you have any questions about the transfer of service, please contact Oasis.

Phone: 800-324-3046

Email: customer-care@oasis.com

Call Center: Mon-Fri: 8:00AM-6:00PM EST

How can I learn more about Verde as my new EGS?

Please visit Verde online at www.verdeenergy.com.
