RE: **Michele Hriadil and Francis Hriadil v. Duquesne Light Company**
Docket No. C-2016-2571726
Request to Extend the Response Deadline for Respondent's Motion for Summary Judgment

Cc: Jeremy V Farrell, Esquire, Counsel for Duquesne Light Company

Cc: Rosemary Chiavetta, Secretary, Pennsylvania Public Utility Commission

Dear Judge Watson:

Sometime during the afternoon of June 5, 2018, as Complainants were in the process of formulating our response to the Respondents Answer to our Motion for Continuance, etc, we were served a massive document by the Respondent dated June 4, 2018 and entitled *Motion for Summary Judgment*. Complainants have not counted the pages but estimate that it numbers well over 300 pages.

This is the largest filing made by the Respondent and the Respondent is expecting a full and complete written response in only seven (7) days per Your Honor's Prehearing Order. Complainants will do everything in our power to respond in as timely of a manner as possible but it is expected that we will require more time to fully address this massive document in detail.

The Pennsylvania Utility Commission Consumer Complainant Procedures Guide page 11 states the following,

"If the company files either a Motion for Judgment on the Pleadings or a Motion for Summary Judgment, you usually have 20 days to respond in writing."

With such a detailed filing comprising more than 300 pages, **Complainants respectfully submit that it will take more than seven (7) days to fully respond in writing, and request to be granted until June 30 to provide our response.**

This is well within the time periods that it has taken for both the Complainants and Respondents to respond to previous, much smaller and less involved, filings. We are emailing the Respondent to inform them of this request and ask their concurrence, as well as formally serving a copy of this written request.

Complainant's Certificate of Service has been filed with the Commission's Secretary, in accordance with Commission Regulations.

Sincerely,

Francis Hriadil
