**Re: Pennsylvania Public Utility Commission v. Duquesne Light Company, Docket
Nos. R-2018-3000124 and C-2018-3001152**

CHARGEPOINT INC. WITNESS NOTICE

Dear Administrative Law Judge Dunderdale:

Please accept my apology for the lateness of this notice; however, ChargePoint, Inc. ("ChargePoint") only filed its Intervention of May 18, 2018 which was granted by Your Honor in the Fourth Interim Order on May 29, 2018. Accordingly, pursuant to the Prehearing Order entered May 8, 2018 in the above-docketed proceeding, ChargePoint hereby provides this detailed Notice of its intention to file the direct testimony of one witness in this proceeding.

WITNESS: Michael K. Waters, Director of Utility Solutions for ChargePoint, Inc. Mr. Waters is expected to testify as to the following subject matters:

- the conditions under which a utility electric vehicle ("EV") charging program can support the continued growth of the competitive EV charging market;
- the variables, assumptions targeted market segments, and methodology used by the Company to develop its EV Program; and,

- the relative capabilities of different types of charging equipment to ensure that a growing load stemming from greater EV adoption can be shaped to be beneficial to the grid and all ratepayers.

Thank you for your attention to this matter. If you require additional information, please do not hesitate to contact me.

Sincerely,

Renardo L. Hicks
