RE: Approval of S&P Network, LLC to operate as a Common Carrier of Household Goods in Use between points within the Commonwealth of Pennsylvania; Docket No. A-2018-3000445

Mr Bingaman,

On June 7th we sent our Initial Tariff filing, Freight PA. P.U.C. for review. Unfortunately there was an error left in the document. This error is the inclusion of a rule (ITEM 28) that would pertain to moves over 40 miles, which we will not conduct initially. Please find a revised ITEM 28 in the attached page.

Respectfully submitted,

Steve Paparounis
Owner, S&P Network, LLC

SECTION 1

RULES & REGULATIONS

ITEM 27

DEPOSITS FOR SERVICE REQUIRED

All moving services must be secured by deposit. Deposit rate schedule is at ITEM 55. If the shipper cancels service less than 48 hours before scheduled service day, deposit will be retained without refund.

ITEM 28

PREPARATION OF ENTRANCES, EXITS, PASSAGE WAYS, AND ARTICLES MUST NOT DELAY MOVERS

The shipper and/or their authorized agent must have entrances, exits, passage ways clear for the vehicle and personnel of the carrier to safely perform service without delay, at all loading and unloading points. If upon arrival of the moving crew the shipper and/or their authorized agent have failed to do so, the hourly time charge according to the rates in ITEM 32 shall not cease or pause.

ITEM 29

SERVICE NOT CURRENTLY BEING RENDERED

This Carrier is authorized by the Pennsylvania Public Utility Commission to perform moves between all points within the Commonwealth of Pennsylvania. However, at this time does not offer service for moves that are 40 miles or more from point of origin to destination. This tariff shall be updated with a supplement at a later date preceding the commencement the operation of moves 40 miles or more. Therefore, this tariff currently provides rules and regulations, and schedule of rates pertaining only to moves that are 40 miles or less between point of origin to destination.
