Dear Rosemary Chiavetta,

*A-2018-2643816*

Budd Van Lines is extremely pleased to be approved by the Pennsylvania Public Utility Commission to operate as a HHG carrier within the state.

We were advised by Ken Sataloff that an extension of 30 days was added to our time frame for filling a tariff and the submission of the required documentation.

We met with Ken on Monday 6/4/18 and completed the documentation of our tariff. Charles Morris of Tristate Household Goods Tariff Conference Inc. will be filling a tariff on our behalf.

I have attached the required documentation;

- Documentation from our Insurance Company indicating that we possess the required coverage for bodily injury, property damage liability and cargo insurance
- Documentation that we have a current satisfactory safety rating from the Department of Transportation

Please advise if you have any additional questions or require any additional information necessary to complete this application process.

I would like to thank you again for the opportunity to operate under the PUC.

Sincerely,

**Norma Licitra**
