RE: Docket # C-2018-3002227

Dear Ms. Chiavetta,

I am writing to respond to the complaint that The Ransom Quarry Company, Inc. is under suspension for failure to maintain evidence of insurance.

We changed carriers and they said they sent the Form E in and obviously you did not receive it. We did indeed have insurance it was a matter of you not receiving the information. The form E has since been filed.

I would appreciate you not imposing the \$500 fine.

Thank you.

Sincerely,

Helen Degilio
