

Greetings to the man: Jeffery Watson;

i: man; wesley good, believe you, Jeffery are man, and i, believe that at times you act as an Administrative Law Judge for the Commonwealth of Pennsylvania;

i, wish and require to correct the record that i, operate as a man to ensure that my rights are upheld and that i, will be present at the telephone pre-hearing on June 26, 2018 as a courtesy to answer any questions concerning the notices i, have given;

i, wish and require to correct the record that the telephone number i, may be reached at on said date is 717.933.4828;

i, say i, am not part of the legal society therefore i, give you notice that i, operate as a man and i, say, it is not my intent to participate in a pre-hearing conference because there is no case before the court;

i, say i, it is not the intent of i, to be at the mercy of a single man of the legal society and member of the bar association to decide if a smart meter will be placed on the property i claim near (50 frystown road, myerstown, pennsylvania);

i, say i, write this correspondence to put on the record that i, am not making a "complaint" and i, am not a "complainant";

i, say i, give you notice that i, operate as a man and i, say, if a smart meter is installed at said property i, will press a claim at court for any and all trespasses by way of injury and physical harm and mental anxiety and emotional stress and financial loss and privacy invasion, carried out against the rights of i;

i say, you are now on notice;

i, say here, and will verify at open court under oath that all herein be true;

By: wesley, good, man;
