Docket No. C-2018-2646162

**MOTION OF WEST PENN POWER COMPANY TO COMPEL RESPONSES TO
INTERROGATORIES AND DOCUMENT REQUESTS**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION:

West Penn Power Company (“West Penn” or the “Company”) by and through its attorneys, Lauren M. Lepkoski and Tori L. Giesler, and pursuant to 52 Pa. Code §§ 5.371-5.372, hereby files this Motion to compel Michael S. Wolfe (“Complainant”) to provide full and complete responses to interrogatories and document requests issued by the Company on March 30, 2018. In support thereof, the Company avers as follows:

I. BACKGROUND

1. On or about February 5, 2018, the Complainant filed a Formal Complaint with the Pennsylvania Public Utility Commission (“Commission”) regarding 2005 Burning Well Road, Wilcox, Pennsylvania 15870 (“Service Location”) under Account No. 100090418466 (“Account”) which was electronically served on the Company on February 6, 2018.

2. On February 26, 2018, the Company filed its Answer and New Matter denying the material allegations. On the same day, the Company also filed Preliminary Objections to the Formal Complaint.

3. On March 27, 2018, a Call-In Telephonic Hearing Notice was issued scheduling a hearing for May 15, 2018 before Administrative Law Judge (“ALJ”) Jeffrey A. Watson.

4. On March 30, 2018, a Cancellation Notice was issued which cancelled the telephonic hearing scheduled for May 15, 2018.

5. On March 30, 2018, ALJ Watson was assigned as the Presiding Officer in the above-captioned proceeding.

6. On March 30, 2018, ALJ Watson issued an Interim Order, which denied the Company's Preliminary Objections and referred the complaint for mediation review.

7. On March 30, 2018, in accordance with 52 Pa. Code § 5.341, the Company forwarded to the Complainant interrogatories and document requests ("Discovery Requests") via first class mail. In its Discovery Requests, the Company sought information and documents related to the Complainant's allegations regarding the Company's smart meters. A complete copy of the Company's Discovery Requests is attached as Exhibit A.

8. Any objections to the Discovery Requests were due on or before April 9, 2018 and responses to the Discovery Requests were due on or before April 19, 2018.

9. On April 17, 2018, an Interim Order Setting Resolution Conference was issued.

10. The Complainant did not file any objection to the Discovery Requests and has not provided any responses or the requested documents by the due date. Accordingly, and prior to filing this Motion to Dismiss, counsel for the Company attempted to contact the Complainant via telephone inquiring about the Discovery Responses. To date, no response to the Discovery Requests or telephone call has been received from Complainant.

II. MOTION TO COMPEL

11. The Commission's regulations permit the discovery of "any matter, not privileged, which is relevant to the subject matter involved in the pending action." 52 Pa. Code § 5.321(c).

12. Generally speaking, this Commission applies a standard of relevance which is less restrictive than that required by parties to present information into the evidentiary record. It is not grounds for objection that the information sought will be inadmissible at hearing if the information sought appears reasonably calculated to lead to the discovery of admissible evidence. 52 Pa. Code § 5.321(c).

13. Discovery may be obtained regarding any matter relevant to the subject matter. Relevant evidence is evidence that tends to make an act at issue more or less probable. Moreover, evidence is relevant if it advances the inquiry in some degree and, thus, has probative value. Although the law does not furnish an absolute test of relevancy, the Pennsylvania Supreme Court follows a two-part analysis for determining relevance. In *Commonwealth v. Stewart*, 461 Pa. 274, 336 A.2d 282 (1975), the Court held that “[i]t must be determined first if the inference sought to be raised by the evidence bears upon a matter at issue in this case and, second, whether the evidence renders the desired inference more probable than it would be without the evidence. *Id.* at 284.

14. The information sought here by the Company is relatively simple and straightforward. It is directly relevant and material to the issues raised by the Complainant in both her Formal Complaint as well as his responsive pleading. The Company is entitled to the requested information to enable it to fully investigate what information the Complainant relied on to make the specific and detailed allegations he did in his Formal Complaint. If the Complainant needed more time to answer the Company’s Discovery Requests, he could have contacted the Company to request an extension.

15. The Commission’s Regulations at 52 Pa. Code § 5.371 address the consequences of a participant’s failure to comply with the Commission’s discovery regulations. Section 5.371 provides that:

(a) The Commission or the presiding officer may, on motion, make an appropriate order if one of the following occurs:

(1) A party fails to appear, answer, file sufficient answers, file objections, make a designation or otherwise respond to discovery requests, as required under this subchapter.

16. Further, 52 Pa. Code § 5.372 provides that the presiding officer may impose appropriate sanctions upon a party found to be found in violation of the obligations set forth in the Commission's Regulations.

17. As a result of the Complainant's failure to provide any response to the Company's Discovery Requests, which demonstrates his lack of cooperation and willingness to participate in this proceeding as required under the Commission's regulations, the Formal Complaint in this proceeding should be dismissed in its entirety.

18. The Company requests that the Complainant be directed to provide full and complete responses to the Discovery Requests to be received by the undersigned counsel for the Company within five business days after entry of an Order Granting the Motion to Compel.

19. In the event the Complainant is directed by the Commission to respond to the Company's Discovery Requests, but fails to, the Company respectfully requests that the Complaint against the Company be dismissed in its entirety.

WHEREFORE, West Penn Power Company respectfully requests that the Commission issue an Order compelling the Complainant to fully and completely respond to the Discovery Requests such that the responses are received by counsel for the Company no later than five business days after entry of an Order on the Motion to Compel. Further, in the event the

Complainant does not comply with the Order directed by the Commission and fails to respond to the Company's Discovery Requests, the Company respectfully requests that the Commission dismiss in its entirety the Complaint of Michael S. Wolfe.

Respectfully submitted,
