Extension to file Exceptions**

Dear Mr. Marinko:

This letter will memorialize our conversation and your subsequent email to the parties this morning approving the request of Red Lion Water Authority (Red Lion) for an extension of the due date for filing exceptions in the above-referenced proceedings for good cause. As I explained, co-counsel for Red Lion experienced a security breach and is unable to access the firm's server. Ryan Devin, counsel for The York Water Company, does not oppose the extension.

**Based on our conversation, the due date for exceptions is extended to July 6, 2018 and the due date for reply exceptions extended to July 16, 2018.**

If there are any questions, please feel free to contact me.
