Re: Application for Approval of Purchase
Docket No. A-2018-_____

Dear Secretary Chiavetta:

Enclosed you will find Application of Duquesne Light Company for Approval Pursuant to 66 Pa.C.S.A. § 1102(a)(3) for the Purchase of Two Parcels of Real Property on Forest Grove Road in Robinson Township, Pennsylvania and corresponding Exhibits. The Exhibits contain CONFIDENTIAL information and Duquesne Light requests the Exhibits not be made public record.

Copies of this filing will be served as indicated on the Certificate of Service as well as provided to potentially impacted property owners. If you have any questions, please feel free to contact me at 412-393-6431.

Respectfully Submitted,

Emily M. Farah
Counsel, Regulatory

Enclosures

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

**Application of Duquesne Light Company :
for Approval Pursuant to 66 Pa.C.S.A. § :
1102(a)(3) for the Purchase of Two Parcels : Docket No. A-2018-_____
of Real Property on Forest Grove Road in :
Robinson Township, Pennsylvania :**

**APPLICATION OF
DUQUESNE LIGHT COMPANY**

Duquesne Light Company ("Duquesne Light" or "the Company") hereby submits an Application, pursuant to 66 Pa. C.S. § 1102(a)(3), requesting the approval of the Pennsylvania Public Utility Commission ("Commission") for the purchase of two parcels of land at 2092 and 2094 Forest Grove Road, Robinson Township, Allegheny County Pennsylvania that will be used or useful in the Company's public service ("the Parcels"). Duquesne Light will use the two Parcels in connection with the upgrade and reconfiguration of the 138 kV ring bus scheme at its Montour Substation. Approval of this Application by the Pennsylvania Public Utility Commission ("Commission") is in the public interest because it will enhance the operability of Duquesne Light's Montour Substation by allowing Duquesne Light to construct an improved access road for the Montour substation.

In support of its Application, Duquesne Light states as follows:

A. Background

1. The Applicant is Duquesne Light Company, a Pennsylvania public utility corporation with its principal place of business at 411 Seventh Avenue, Pittsburgh, PA 15219.

2. Duquesne Light is a public utility as the term is defined under Section 102 of the Public Utility Code, 66 Pa.C.S. § 102 certificated by the Commission to provide electric distribution service in portions of Allegheny County and Beaver County in Pennsylvania. Duquesne Light is also an electric distribution company ("EDC") and a default service provider as defined under Section 2803 of the Public Utility Code. 66 Pa.C.S. § 2803.

3. Correspondence with respect to this Application should be addressed to Duquesne Light's attorneys:

Emily M. Farah (Pa. I.D. No. 322559)
Tishekia E. Williams (Pa. I.D. No. 208997)
Michael Zimmerman (Pa. I.D. No. 323715)
Duquesne Light Company
411 Seventh Avenue, 15th Fl.
Pittsburgh, PA 15219
Phone: 412-393-6431
Fax: 412-393-5757
E-mail:EFarah@duqlight.com
E-mail:Twilliams@duqlight.com
E-mail:Mzimmerman@duqlight.com

Duquesne Light's attorneys are authorized to electronically receive all notices and communications regarding this filing.

4. Duquesne Light's Montour Substation is located on property that the Company owns in Robinson Township, Allegheny County, Pennsylvania.

5. Duquesne Light intends to upgrade the existing 138 kV ring bus scheme at the Montour Substation to a breaker and a half bus scheme and upgrade associated structures, including: new breakers, disconnects, relays, control cables and other associated facilities

(hereafter "Montour Substation Project" or "Project"). The Company will be filing a separate Letter of Notification pursuant to 52 Pa. Code § 57.72(d) to request the Commission's approval for the relocation of three transmission lines that enter the Montour Substation.

6. Presently, Duquesne Light would have to alter the existing access road with the expansion, of Montour Substation which would change the grade of the access road to roughly a twelve percent (12%) grade.

7. To enhance safety and accessibility, Duquesne Light intends to purchase the parcels at 2092 Forest Grove Road and 2094 Forest Grove Road, in order to construct a new access road that will have less than a five percent (5%) grade.

B. Description of the Parcels and the Proposed Purchase

8. The Parcels at 2092 and 2094 Forest Grove Road are directly adjacent to the Duquesne Light-owned parcel on which the Montour Substation is located, and are currently encumbered by distribution rights-of way.

9. The Parcel at 2092 Forest Grove Road is owned by Jennifer L. Rubolino, a private individual that is not engaged in the provision of public utility service.

10. 2092 Forest Grove Road consists of approximately 0.92 acres of land, and is identified by Allegheny County Lot and Block No. 271-D-204.

11. The Parcel at 2094 Forest Grove Road is owned by Jason M. Rubolino, a private individual that is not engaged in the provision of public utility service.

12. 2094 Forest Grove Road consists of approximately 3.86 acres of land, and is identified by Allegheny County Lot and Block No. 271-D-208.

13. Duquesne Light and Jennifer L. Rubolino have executed a Letter of Intent for Duquesne Light to purchase the Parcel at 2092 Forest Grove Road. See Exhibit A.

14. Duquesne Light and Jason M. Rubolino have executed a Letter of Intent for Duquesne Light to purchase the Parcel at 2094 Forest Grove Road. See Exhibit B.

15. The purchase prices for both parcels were negotiated at arm's length.

16. Neither Jennifer L. Rubolino nor Jason M. Rubolino have any affiliation with Duquesne Light.

17. Both Jennifer L. Rubolino and Jason M. Rubolino were represented by legal counsel of their choosing during the negotiations for the sale of the Parcels.

18. The full amount of the consideration for the Parcels will be paid by Duquesne Light at closing, and Duquesne Light will be conveyed fee simple interests in both parcels upon closing, free and clear of any monetary liens and encumbrances.

C. Requested Approvals

19. Section 1102(a)(3) of the Public Utility Code provides, in relevant part, that a public utility must obtain Commission approval to acquire or transfer property that is used or useful in the public service (with certain exceptions).

20. The two Parcels, currently encumbered by rights-of-way, will be used and useful in Duquesne Light's public service when acquired in fee, because Duquesne Light will use the two Parcels in connection with the upgrade and reconfiguration of the 138 kV ring bus scheme at its Montour Substation, and for ongoing access to the Montour Substation.

21. Acquisition of the Parcels in fee by Duquesne Light will allow the Company to construct an access road to the Montour Substation that has a grade of less than 5%, compared to the modified grade of the existing access road, which is roughly 12%.

22. The new, less steep access road will allow better access to the Montour Substation for purposes of repair and maintenance of the Substation.

23. Approval of this Application by the Commission is in the public interest because allowing Duquesne Light to purchase the Parcels will enhance the operability of Duquesne Light's Montour Substation by allowing Duquesne Light to construct an improved access road for the Montour Substation.

24. Pursuant to 52 Pa. Code § 5.14, the notice requirements for this application are to be determined by Commission order. To facilitate notice, Duquesne Light is serving a copy of this filing on the Commission's Law Bureau, the Office of Consumer Advocate, the Office of Small Business Advocate, and counsel for the sellers of 2092 and 2094 Forest Grove Road

25. Duquesne Light requests that the Commission publish notice of this application in the Pennsylvania Bulletin at the earliest possible date and that the public protest and comment period for this application be set at 15 days after publication in the Pennsylvania Bulletin (pursuant to 52 Pa. Code § 5.14(b)).

26. Duquesne Light requests that the Commission issue its order at a public meeting at or before 60 days from the date of the filing of this application.

F. Conclusion

For the foregoing reasons, Duquesne Light respectfully requests that the Commission:

1. Publish notice of this Application in the Pennsylvania Bulletin at the earliest possible date and declare that the public protest and comment period shall expire 15 days after such publication.

2. Issue an order on or before 60 days from the filing of this Application in which the Commission (a) authorizes Duquesne Light to purchase parcels of land at 2092 and 2094 Forest Grove Road, Robinson Township, Pennsylvania, as being consistent with the public

interest under Section 1102(a)(3) of the Public Utility Code, and (b) issuing such certificates to Duquesne Light as are required by the Commission's treatment of subpart (a) of this paragraph, including any certificate under Section 1102.

Respectfully submitted,
