ERRATA NOTICE

This is to advise the Pennsylvania Public Utility Commission and PECO Energy Company (parties of record) that my *Petition for Reconsideration of the Commission's June 14, 2018 Final Order* in the above docket contained an error on page 38 in (4) which should have stated: (4) *The specific reason for which the wired metering is required.*

Please find the corrected page enclosed for your records.

certificate, the medical condition shall be deemed to be permanent. Medical certifications initially may be written or oral, subject to the right of the public utility to verify the certification by calling the physician or nurse practitioner or to require written verification within 7 days.

All Pennsylvania utilities shall treat all medical certificates received in confidence and shall maintain the confidentiality of all medical certificates in accordance with Federal HIPAA regulations. Medical certificates, whether written or oral, shall include the following:

- (1) The name and address of the customer or applicant in whose name the account is registered.
- (2) The name and address of the afflicted person and relationship to the customer or applicant.
- (3) The nature and anticipated length of the affliction.
- (4) The specific reason for which the wired metering is required.
- (5) The name, office address and telephone number of the certifying physician or nurse practitioner.

Unless a shorter duration is specified in the medical certificate, upon receipt of a medical certificate, the utility is permanently enjoined from deploying any AMI metering apparatus at the premises of any customer who submits a medical certificate, and the utility is enjoined from taking any discriminatory or retaliatory action against a customer who submits a medical certificate.

Within 36 hours of receipt of the medical certificate, the utility shall permanently remove any AMI meter on the customer's premises and replace it with a metering device which is safe for the sensitive customer on the customer's premises.

No public utility shall have the right to request a waiver from its obligations under this section regarding medical certificates.

No public utility may contest the validity of a medical certification submitted pursuant to this section, or to request an investigation and hearing by the Commission or its designee regarding the validity of a medical certificate submitted in accordance with this section."

4. Expert Testimony in the McKnight and Bachman v PECO cases regarding the harm that the PECO AMI meters cause to Customers who are Sensitive to EMF, and one possible currently manufactured meter in addition to an analog meter, which might be safe for those who suffer from EHS, following the arguments in the Main Brief in the PUC McKnight v PECO case, Docket No C-2015-2475355.
