**Re: Request for an Extension
Diana Sabatine v. West Penn Power Company
Docket No. C-2018-3002804**

Dear Attorney Lepkoski,

On Friday, July 13, 2018, I received the Preliminary Objections of West Penn Power Company dated July 9, 2018, asking that I respond to the objections within 10 days of service. Also, on Friday, July 13, 2018, I received the Answer and New Matter of West Penn Power Company dated July 9, 2018, asking that I respond within 20 days of service. I respectfully request an extension of 120 days to fulfill my response to the Preliminary Objections and the Answer and New Matter of West Penn Power Company.

My family has had two deaths in the past week, which has taken much of my time and will continue as we deal with the estate. In addition, our home was flooded several times this year with heavy rains and we are in the process of major construction to correct the problem. A West Penn Power technician even took a photo of the house under repair.

Please consider my request favorably.

Sincerely,

Diana Sabatine
