Dear Eric Greenberg:

We are pleased that Solution Energy, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Solution Energy, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Solution Energy, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Solution Energy, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Solution Energy, LLC changes in the future, Columbia Gas might deem it appropriate to require Solution Energy, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4881 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Debbie Vair

RE: Security Requirement Bond for Solution Energy, LLC

Dear Mr. Greenberg:

Philadelphia Gas Works ("PGW") is aware that Solution Energy, LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Solution Energy, LLC must furnish acceptable security to each utility where Solution Energy, LLC will do business. As such, under its tariff, Philadelphia Gas Works could require Solution Energy, LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that Solution Energy, LLC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that in performing these services Solution Energy, LLC will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, Solution Energy, LLC does not need to post a bond or other form of security to operate in its service territory. If the services provided by Solution Energy, LLC should change, Philadelphia Gas Works reserves the right to require security from Solution Energy, LLC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at 215-684-6725.

Sincerely,

A handwritten signature in black ink, appearing to read "John Zuk".

To The Members and Managers
Solution Energy, LLC

I have compiled the accompanying Comparative Statements of Assets, Liabilities and Equity of Solution Energy, LLC as of December 31, 2017 and 2016, along with the related Statements of Income, Expenses and Members' Equity for the years then ended. I have not audited or reviewed the accompanying financial statements, and accordingly, do not express an opinion or provide any assurance about whether these financial statements are in accordance with generally accepted accounting principles.

Management is responsible for the preparation and a fair presentation of the financial statements in accordance with generally accepted accounting principles and for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements.
