RE: Atlas Retail Energy application to serve as a Natural Gas Broker

Dear Ms. Watson,

Based on your assertion that Atlas Retail Energy ("ATLAS RETAIL") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that ATLAS RETAIL will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that ATLAS RETAIL will not be taking title to gas or directly serving end use customers. This also assumes that ATLAS RETAIL will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU tariffs. If ATLAS RETAIL wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

Sincerely,

David E. Lahoff  
Senior Manager, Tariff & Supplier Administration

Dear Aimee Watson:

We are pleased that Atlas Commodities II Retail Energy, LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Atlas Commodities II Retail Energy, LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Atlas Commodities II Retail Energy, LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Atlas Commodities II Retail Energy, LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Atlas Commodities II Retail Energy, LLC changes in the future, Columbia Gas might deem it appropriate to require Atlas Commodities II Retail Energy, LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-4712 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

*Patricia Chang*

Dear Atlas Commodities II Retail Energy, LLC:

PECO is aware that Atlas Commodities II Retail Energy, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.
