RE: EXCEPTIONS OF "Bill Reviello v. PPL Electric Utilities Corporation"
F-2017-2636807

PENNSYLVANIA PUBLIC UTILITY COMMISSION:

With this letter, I am identifying an EXCEPTION to the INITIAL DECISION by Administrative Law Judge Andrew M. Calvelli in the above referenced matter.

Specifically, I am identifying that one of the FINDINGS OF FACT is incorrect, and I am asking that this error be corrected.

On page 3 of Judge Calvelli's decision, item number 7, the decision states that, "PPL discovered that the meter serving Ms. Ferguson's apartment was also serving several hall lights for a common entryway for three apartments." This is not correct.

In fact, the meter serving Ms. Ferguson's apartment was also serving ONE hall light, and that light was utilizing one single 100-watt fluorescent light bulb. The totality of the foreign wiring being discussed in this matter is a single light bulb.

I believe this is an important consideration and I would like to request that this item be corrected in the decision.

Best Regards,
