RE: EVIDENCE OF INSURANCE - Docket No C-2018-3003276

This is to confirm that our Insurance renewed on January 3rd, 2018 and our agent was instructed to Forward and file evidence of insurance in our behalf to all parties concerned. We were unaware that this was not done until we received the letter from PUC requesting evidence of insurance which we forwarded to them and spoke to them on July 5th to which they told me they will do it asap. I did not know it was not done until I received the complaint in the mail and also called the number on the complaint on July 24th and was informed that they had finally done it on the 23rd but the company name was typed incorrectly. I then contacted them again to do the correction and refile it.

We were assured that they will do the filing of the forms that needed to be filed on our behalf when our insurance renews every year so we thought it was already done.

We promise that this will not happen in the future as we will call PUC to make sure the filing is done when the policy renews at the beginning of the year.

Sincerely
