Re: In re: Application of SUEZ Water Pennsylvania Inc. under Section 1102(a) of the Pennsylvania Public Utility Code, 66 Pa C.S. § 1102(a), for approval of (1) the transfer, by sale, of substantially all of the Township of Mahoning's assets, properties and rights related to its wastewater collection and conveyance system to SUEZ Water Pennsylvania Inc., and (2) the rights of SUEZ Water Pennsylvania Inc. to begin to offer or furnish wastewater collection and conveyance service to the public in portions of the Townships of Mahoning, Cooper and Valley, Montour County, Pennsylvania; Docket No. A-2018-3003517

Dear Secretary Chiavetta:

Enclosed please find SUEZ Water Pennsylvania Inc.'s Responses to the 66 Pa. C.S. § 1329 Application Completeness Review of the Bureau of Technical Utility Services ("TUS"), received on July 27, 2018, in the above-referenced matter. The responses and their appendices are also included on the enclosed CD-ROM. The Excel Spreadsheets requested by TUS are contained on a separate CD-ROM included with the response to Item No. 2.

Thank you for your attention to this matter. Copies of the filing have been served on the parties as indicated on the attached certificate of service. Should you have any question or concern, please feel free to contact me.

Sincerely,

COZEN O'CONNOR

By: David P. Zambito
Counsel for SUEZ Water Pennsylvania Inc.

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

In re: Application of SUEZ Water Pennsylvania Inc. under Section 1102(a) of the Pennsylvania Public Utility Code, 66 Pa C.S. § 1102(a), for approval of (1) the transfer, by sale, of substantially all of the Township of Mahoning's assets, properties and rights related to its wastewater collection and conveyance system to SUEZ Water Pennsylvania Inc., and (2) the rights of SUEZ Water Pennsylvania Inc. to begin to offer or furnish wastewater collection and conveyance service to the public in portions of the Townships of Mahoning, Cooper and Valley, Montour County, Pennsylvania; Docket No. A-2018-3003517:

CERTIFICATE OF SERVICE

I hereby certify that I have this day served a true copy of the foregoing Responses to the 66 Pa. C.S. § 1329 Application Completeness Review of the Bureau of Technical Utility Services Application of SUEZ Water Pennsylvania Inc. regarding its acquisition of the Township of Mahoning Wastewater System, upon the parties, listed below, in accordance with the requirements of 52 Pa. Code § 1.54 (relating to service by a party).

VIA CERTIFIED / RETURN RECEIPT REQUESTED FIRST CLASS MAIL:

Mahoning Township Wastewater Acquisition at Docket No. A-2018-3003517

Missing Application Information

1. Checklist Item No. 4 – Gannett Fleming Valuation and Rate Consultants, LLC’s (Gannett Fleming’s) Excel spreadsheet, provided in the Application as Appendix A-4, references documents which do not appear to be included in the filing. Please provide a copy of the following documents:
 - a. The “Engineers Assessment, 2017-2021” as referenced in cell H206 of the file named “Ex 16.xlsx.”
 - b. The “Engineers Assessment, 2018-2022” as referenced in cell H218 of the file named “Ex 16.xlsx.”
 - c. The “Engineers Assessment CIP” as referenced in cell T252 of the file named “Ex 12 all.xlsx.”

Answer:

- a. The reference in cell H206 of the file named “Ex 16.xlsx” is a legacy reference and is not part of the appraisal. A CD-ROM is enclosed with a file named “Ex 16 Updated.xlsx” with the legacy reference removed.
- b. The reference in cell H218 of the file named “Ex 16.xlsx” is a legacy reference and is not part of the appraisal. A CD-ROM is enclosed with a file named “Ex 16 Updated.xlsx” with the legacy reference removed.
- c. The reference in cell T252 of the file named “Ex 12 all.xlsx” is a legacy reference and is not part of the appraisal. A CD-ROM is enclosed with a file named “Ex 12 all Updated.xlsx” with the legacy reference removed.

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board
Mahoning Township Authority
1101 Bloom Street
Danville, Pennsylvania 17821

We have audited the accompanying modified cash basis financial statements of the business-type activities of Mahoning Township Authority, as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the

circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the business-type activities of Mahoning Township Authority as of September 30, 2016, and the respective changes in modified cash basis financial position thereof for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

The accompanying notes are an integral part of these financial statements.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 1 - Significant Accounting Policies

Description of Reporting Entity

The Mahoning Township Authority was organized in 1951 by the Board of Supervisors of Mahoning Township, County of Montour, Pennsylvania under the Municipal Authorities Act of 1945. The Authority is located in Danville, Pennsylvania. The Mahoning Township Authority provides water and sewer service in an expanding area along Bloom road, and in various developments. This area is adjacent to the eastern boundary of the Borough of Danville, County of Montour, Pennsylvania. Service mains are connected with the Borough of Danville system and these services are purchased from the Borough by the Authority.

Basis of Accounting

The Authority's policy is to prepare its financial statements on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America in that certain revenues and related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when a liability is incurred with modifications having substantial support. These modifications include the recognition of payroll withholdings incurred but not yet paid at September 30, 2016, escrow deposits, and the recording of capital assets arising from cash transactions and depreciating the assets where appropriate.

Basis of Presentation

Proprietary funds are used to account for operations that are financed and operated to recover the costs of providing goods and services to the general public primarily through user charges. All assets and liabilities associated with a proprietary fund's activities are included on its statement of net position.

Since the Authority accounts for all of its transactions in one Proprietary fund, the Authority's fund based financial statement is also its entity-wide governmental financial statement as required by the Governmental Accounting Standards board.

The Mahoning Township Authority utilizes the following accounts to record their financial activity. The summary of these separate accounts comprise the proprietary fund of the Authority.

Authority Operating Account – The Authority shall pay all reasonable administrative and operating expenses of the Authority.

Transfer Account – The Transfer Account is a collection account for the receipts of the Authority. These monies are then transferred to the operating account of the Authority.

Escrow Accounts – Individual escrow accounts are administered by the Authority on behalf of local developers.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 1 - Significant Accounting Policies - continued

Cash and Cash Equivalents

Cash and Cash Equivalents include amounts in demand and interest-bearing bank deposits and in petty cash and are carried at cost plus accrued interest, which is fair value.

Investments

Investments are recorded at fair value. Fair value is based on quoted market prices.

Capital Assets

Capital assets include property, plant, and equipment, and infrastructure assets (e.g., water and sewer lines and similar items). Capital assets are defined by the Authority as assets with an initial, individual cost of more than \$1,500 and an estimated useful life in excess of one year. In addition, capital assets purchased with long-term debt may be capitalized regardless of the thresholds established. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

All reported capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Infrastructure	50
Buildings	20
Building Improvements	20
Land Improvements	50
Furniture	5 to 10
Vehicle	5 to 10
Equipment	5 to 40
Computer Software	5 to 10

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position and or balance sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Authority does not have any items that qualify for reporting in this category.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 1 - Significant Accounting Policies - continued

Deferred Outflows/Inflows of Resources - continued

In addition to liabilities, the statement of financial position and or balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Authority does not have any items that qualify for reporting in this category.

Net Position

Net Position presents the difference between assets and liabilities in the statement of net position. Net position invested in capital assets is reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Net position is reported as restricted when there are legal limitations imposed on its use by trust indenture or external restrictions by creditors, grantors, laws or regulations of other governments.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Definition of Operating and Nonoperating Revenues and Expenses

Operating income reported in proprietary fund financial statements includes revenues and expenses related to the primary, continuing operation of the fund. Principal operating revenues for proprietary funds are charges to customers for sales and services. Principal operating expenses are the costs of providing goods or services and include administrative expenses and depreciation of capital assets. Other revenues and expenses are classified as nonoperating in the financial statements.

Note 2 – Cash and Cash Equivalents and Investments

Pennsylvania municipal statutes provide for investment of Authority funds into certain authorized investment types including U. S. Treasury bills, other short-term U.S. and Pennsylvania government obligations, and insured or collateralized time deposits and certifications of deposit. The statutes do not prescribe regulations related to demand deposits; however, they do allow the pooling of Authority funds for investment purposes.

Cash equivalents are defined as short-term, highly liquid investments that are readily convertible to known amounts of cash and include investments with original maturities of one year or less. Cash and cash equivalents consist of demand deposits at various financial institutions. The market values of deposits are equal to the cost of the deposits. The investments of the Authority consist of certificates of deposit. Investments are stated at marked value.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 2 – Cash and Cash Equivalents and Investments - continued

At September 30, 2016, the carrying amount of the Authority’s cash and cash equivalents and investments was \$2,789,433. The depository balances throughout the year were covered by federal depository insurance or by collateral held by the pledging banks trust department. These amounts are secured by the pledging of pooled assets as collateral in accordance with the Act of August 6, 1971 (P.L. 281, No. 72), relating to pledges of assets to secure deposits of pledge funds.

CASH AND CASH EQUIVALENTS

The cash accounts are held at First Keystone Community Bank, FNB Bank, and Jersey Shore State Bank. At September 30, 2016, the Authority’s book cash balance was \$1,491,199 and the bank balance was \$1,512,082.

Statutes authorize the Authority to invest in savings accounts, certificates of deposits or obligations of the U.S. Treasury, agencies and instrumentalities of the U.S. government, the Commonwealth of Pennsylvania or any state agency or any Pennsylvania political subdivision, or shares of mutual funds whose investments are restricted to the above categories.

At September 30, 2016, the Authority held the following certificates of deposits.

Bank	CD#	Balance at 09/30/2016	Interest Rate	Maturity Date
Jersey Shore State Bank	3251056263	\$ 104,597	2.00%	5/22/2019

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 2 – Cash and Cash Equivalents and Investments - continued

Interest Rate Risk

The Authority does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

The Authority has no investment policy that would limit its investment choices to certain credit ratings.

Concentration of Credit Risk

The Authority places no limit on the amount the Authority may invest in any one issuer. The investments of the Authority as September 30, 2016 consist of certificates of deposit only.

Note 3 – Capital Assets

A summary of capital asset transactions during the year ended September 30, 2016 is as follows:

	Balance at September 30, 2015	Additions	Reductions	Balance at September 30, 2016

Being Depreciated-Net	<u>\$ 2,815,114</u>	<u>\$ 135,908</u>	<u>\$ -</u>	<u>\$ 2,951,022</u>

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 4 – Pension Plan

The Mahoning Township Authority participates in a pension plan administered by the Pennsylvania Municipal Retirement System (PMRS). The Mahoning Township Authority pension plan is a single-employer defined benefit pension plan controlled by the provisions of the resolution dated 11-11-97 adopted pursuant to Act 15. The plan participates in the Pennsylvania Municipal Retirement System (PMRS) which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Comprehensive Annual Financial Report (CAFR). A copy of the CAFR can be obtained by contacting the PMRS accounting office.

Note 5 – Risk Management

The Authority is exposed to various risks of loss related to theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Authority has purchased various insurance policies to safeguard its assets from risk of loss. Insurance coverage appears to be consistent with previous years.

Note 6 – Contingent Liabilities

Litigation

In December of 2014, the Borough of Danville filed a lawsuit against the Authority in the Montour County Court of Common Pleas, Docket No. 486-2014, claiming a billing discrepancy resulting in underreported usage of their sewage treatment services and underpayment for services. The court granted a summary judgement to Danville Borough and Danville Municipal Authority against the Authority. The case has been listed for trial and a pretrial conference is scheduled for March 2017. As the effect of these legal proceedings on the financial statements is not known and the financial statements are presented on the modified cash basis of accounting, no provision for losses has been recorded.

The Authority is party to certain other pending and/or threatened legal proceedings. It is not possible to estimate the outcome. The financial statements are presented on the modified cash basis of accounting, no provision for losses has been recorded.

Note 7 – Subsequent Events

The Authority has evaluated all events subsequent to the financial statement date of September 30, 2016 through February 8, 2017 which is the date these financial statements were available to be issued.

On February 2, 2017, the Board of Directors of the Mahoning Township Municipal Authority (the “Authority”) voted to authorize the filing of Praecepto to Settle, Discontinue and End the Civil Suite No. 392-2016 (Mahoning Township Municipal Authority v. Township of Mahoning) seeking an injunction to stay the effectiveness of the Resolution enacted by the Board of Supervisors of Mahoning Township (the “Township”) to dissolve the Authority.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 7 – Subsequent Events – continued

The Authority's Board Chairman has been authorized to execute any documents reasonably necessary to effectuate the transfer of the Authority's assets and permits to the Township. Given that there are no outstanding debts of the Authority, no further action need to be taken by the Authority. Upon discontinuance of this matter the township by law will assume control of the Authority's assets and operations. The Authority has no further obligation to the Township or any further obligation to act as a corporate body.

INDEPENDENT AUDITOR'S REPORT

Members of the Authority Board of Directors
Mahoning Township Authority
1101 Bloom Street
Danville, Pennsylvania 17821

Report on the Financial Statements

We have audited the accompanying modified cash basis financial statements of the business-type activities of the Mahoning Township Authority, Danville, Pennsylvania, as of and for the year ended September 30, 2015, and the related notes to the financial statements, which collectively comprise Mahoning Township Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position – modified cash basis of the business-type activities of Mahoning Township Authority, Danville, Pennsylvania, as of September 30, 2015, and the respective change in financial position – modified cash basis, thereof for the year then ended in accordance with the basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Mahoning Township Authority's basic financial statements. The management's discussion and analysis on pages MD&A1 through MD&A3, which is the responsibility of management, is presented for purposes of additional analysis and is not a required part of the basic modified cash basis financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that comprise the Mahoning Township Authority, Danville, Pennsylvania's basic financial statements. The combining Proprietary Fund financial statement on page 10 is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The combining fund financial statement is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statement themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

MANAGEMENT'S DISCUSSION
AND ANALYSIS (MD&A)

MANAGEMENT'S DISCUSSION AND ANALYSIS
MAHONING TOWNSHIP AUTHORITY
SEPTEMBER 30, 2015
(UNAUDITED)

Our discussion and analysis of the Mahoning Township Authority's financial performance provides an overview of the Authority's financial activities for the fiscal year ended September 30, 2015. Please read it in conjunction with the Authority's financial statements which begin on page 3.

Mahoning Township Authority (The Authority) is a body corporate and politic organized and existing under the provisions of the Municipalities Act of 1945, approved May 2, 1945, P.I. 382, as amended and supplemented, of the Commonwealth of Pennsylvania, pursuant to an ordinance of the Supervisors of Mahoning Township, Montour County, Pennsylvania.

The Authority is empowered to exercise any and all powers conferred by said Municipality Authorities Act necessary or convenient to the acquiring, holding, constructing, improving, maintaining, operating, owning and leasing either in the capacity of lessor or lessee, water works, water supply works, water distribution system, and wastewater collection system.

Mahoning Township Authority Authority receives its water from two interconnections with the Borough of Danville. On July 9, 2001 the Mahoning Township Authority entered into an agreement with the Danville Municipal Authority. The agreement allows the township Authority to purchase up to 765,000 gallons of water a day. The length of the agreement is 15 years, and will renew annually thereafter.

The Authority maintains a collection system that transports all wastewater to Danville for treatment. The system is all gravity except for a sewer pumping station located along U.S. Route 11 and one small pump station in a development.

Issues facing the Authority

There are issues facing the Authority that could have adverse effects in its financial position.

1. Negotiation of Wastewater Agreement
2. Increased Sewer rates by Danville Borough
3. Increased Water rates by Danville Borough

Financial Highlights

In 2015 the Authority's operating revenues were \$1,899,403, an increase from fiscal 2014 of \$95,684.00 or 5.3%.

In 2015 the Authority's tapping fees were \$369,380.00, an increase from fiscal 2014 of \$290,368.00. Tapping fees increased in the current year due to the connection of a large commercial building.

The Authority's operating expenses were \$1,940,932.00, an increase of \$447,974.00 from fiscal 2014 or 30%. This is largely due to installing new residential water meters and maintaining the collection and distribution system.

Using the Annual Report

This report consists of a series of financial statements.

The Statements of Assets, Liabilities and Net Position, and the Statement of Revenues, Expenses, and Changes in Net position and the Statement of Revenues, Expenses and Changes in Net Position provide information about the activities of the Authority as a whole, and present a longer-term view of the Authority's finances.

Reporting The Authority As A Whole

Our analysis of the Authority as a whole begins on page 3. Understanding the financial trend of the Authority begins with understanding the Statement of Assets, Liabilities and Net Position, and the Statement of Revenues, Expenses and Changes in Net Position. Looking at these two reports, you should be able to determine if the Authority is better off financially this year than it was in the past.

The Statement of Assets, Liabilities and Net Position, and the Statement of Revenues, Expenses, and Changes in Net Position include all of the Assets and Liabilities of the Authority using the modified cash basis of accounting.

These two reports show the Authority's Net Position and the changes in them during 2015. The Authority's Net Position is its assets minus its liabilities. This is one measure of financial position of the Authority. Over time, increases or decreases in the Authority's net position is a good indicator of whether its financial strength is improving or deteriorating.

Fund Financial Statements

When the Authority charges someone to use Water and or Sewer services, the revenue earned is like a business revenue. The Statement of Revenues, Expenses, and Changes in Net Position is the Authority's fund based financial statement.

Since the Authority accounts for all of its transactions in one Proprietary Fund, the Authority's fund based financial statement is also its entity-wide governmental financial statement as required by the Governmental Accounting Standards Boards.

The Authority As A Whole

The discussion below explains the Authority's overall financial situation for the year ended 9/30/2015.

The Authority's Net Position increased \$427,347.00

The Authority maintained a Net Position base of \$5,744,729.00

The Authority has booked the acquisition of all fixed assets at historical costs on its Balance Sheet.

The Authority books depreciation expense for these fixed assets over the useful life of the assets.

CONTACTING THE AUTHORITY'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, investors, and creditors with a general overview of the Authority's finances and to show the Authority's accountability for the money it receives. If you have any questions about this report, or if you need additional financial information, please contact Lucy Hettinger, Mahoning Township Authority Secretary, at 1101 Bloom Road, Danville, Pa. 17821 or by phone (570) 275-1132.

MAHONING TOWNSHIP AUTHORITY
DANVILLE, PENNSYLVANIA
NOTES TO FINANCIAL STATEMENTS
For The Year Ended September 30, 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Reporting Entity - The Mahoning Township Authority was organized in 1951 by the Board of Supervisors of Mahoning Township, County of Montour, Pennsylvania under the Municipal Authorities Act of 1945. The Authority is located in Danville, Pennsylvania. The Mahoning Township Authority provides water and sewer service in an expanding area along Bloom road, and in various developments. This area is adjacent to the eastern boundary of the Borough of Danville, County of Montour, Pennsylvania. Service mains are connected with the Borough of Danville system and these services are purchased from the Borough by the Authority.

Basis of Accounting - The Authority's policy is to prepare its financial statements on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America in that certain revenues and related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when a liability is incurred with modifications having substantial support. These modifications include the recognition of payroll withholdings incurred but not yet paid at September 30, 2015, escrow deposits, and the recording of capital assets arising from cash transactions and depreciating the assets where appropriate.

Basis of Presentation - Proprietary funds are used to account for operations that are financed and operated to recover the costs of providing goods and services to the general public primarily through user charges. All assets and liabilities associated with a proprietary fund's activities are included on its statement of net position.

Since the Authority accounts for all of its transactions in one Proprietary fund, the Authority's fund based financial statement is also its entity-wide governmental financial statement as required by the Governmental Accounting Standards Board.

The Mahoning Township Authority utilizes the following accounts to record their financial activity. The summary of these separate accounts comprise the proprietary fund of the Authority.

Authority Operating Account - The Authority shall pay all reasonable administrative and operating expenses of the Authority.

Transfer Account - The Transfer Account is a collection account for the receipts of the Authority. These monies are then transferred to the operating account of the Authority.

Escrow Accounts - Individual escrow accounts are administered by the Authority on behalf of local developers.

Cash and Cash Equivalents - Cash and Cash Equivalents include amounts in demand and interest-bearing bank deposits and in petty cash and are carried at cost plus accrued interest, which is fair value.

Investments - Investments are recorded at fair value. Fair value is based on quoted market prices.

Capital Assets - Capital assets include property, plant, vehicles, and equipment, and infrastructure assets (e.g., water and sewer lines and similar items). Capital assets are defined by the Authority as assets with an initial, individual cost of more than \$1,500 and an estimated useful life in excess of one year. In addition, capital assets purchased with long-term debt may be capitalized regardless of the thresholds established. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed.

MAHONING TOWNSHIP AUTHORITY
DANVILLE, PENNSYLVANIA
NOTES TO FINANCIAL STATEMENTS
For The Year Ended September 30, 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

All reported capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Infrastructure	50
Buildings	20
Building Improvements	20
Land Improvements	50
Furniture	5 to 10
Vehicle	5 to 10
Equipment	5 to 40
Computer Software	5 to 10

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position and or balance sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Authority does not have any items that qualify for reporting in this category.

In addition to liabilities, the statement of financial position and or balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Authority does not have any items that qualify for reporting in this category.

Net Position

Net position presents the difference between assets and liabilities in the statement of net position. Net position invested in capital assets is reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Net position is reported as restricted when there are legal limitations imposed on its use by trust indenture or external restrictions by creditors, grantors, laws or regulations of other governments.

Use of Estimates - The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Definition of Operating and Nonoperating Revenues and Expenses - Operating income reported in proprietary fund financial statements includes revenues and expenses related to the primary, continuing operation of the fund. Principal operating revenues for proprietary funds are charges to customers for sales or services. Principal operating expenses are the costs of providing goods or services and include administrative expenses and depreciation of capital assets. Other revenues and expenses are classified as nonoperating in the financial statements.

MAHONING TOWNSHIP AUTHORITY
DANVILLE, PENNSYLVANIA
NOTES TO FINANCIAL STATEMENTS
For The Year Ended September 30, 2015

NOTE 2 - CASH AND CASH EQUIVALENTS AND INVESTMENTS

Pennsylvania municipal statutes provide for investment of Authority funds into certain authorized investment types including U. S. Treasury bills, other short-term U.S. and Pennsylvania government obligations, and insured or collateralized time deposits and certificates of deposit. The statutes do not prescribe regulations related to demand deposits; however, they do allow the pooling of Authority funds for investment purposes.

Cash equivalents are defined as short-term, highly liquid investments that are readily convertible to known amounts of cash and include investments with original maturities of one year or less. Cash and cash equivalents consist of demand deposits at various financial institutions. The market values of deposits are equal to the cost of the deposits. The investments of the Authority consist of certificates of deposit. Investments are stated at market value.

At September 30, 2015, the carrying amount of the Authority's cash and cash equivalents and investments was \$2,983,472. The depository balances throughout the year were covered by federal depository insurance or by collateral held by the pledging banks trust department. These amounts are secured by the pledging of pooled assets as collateral in accordance with the Act of August 6, 1971 (P.L. 281, No. 72), relating to pledges of assets to secure deposits of pledge funds.

CASH AND CASH EQUIVALENTS:

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a bank failure, the Authority's deposits may not be returned to it. The Authority has an investment policy that addresses credit risk in general terms. As of September 30, 2015, \$1,455,429 of the Authority's bank balance of \$1,774,252 was exposed to custodial credit risk.

Uninsured and uncollateralized	\$ 0
Uninsured and collateral held by the pledging bank's trust department	
Not in the Authority's name	<u>1,455,429</u>
Total	<u>\$ 1,455,429</u>

Reconciliation to Financial Statements

Collateralized Amount Above	\$ 1,455,429
Plus: Insured Amount	318,823
Less: Outstanding Checks	<u>(68,176)</u>
Carrying Amount – Bank balances	1,706,076
Plus: Petty Cash	<u>450</u>
Total Cash and Cash Equivalents Per Financial Statements	<u>\$1,706,526</u>

INVESTMENTS:

As of September 30, 2015, the Authority had the following investments:

<u>Investment</u>		<u>Fair Value</u>
Certificates of Deposit	24 – 60 months	\$ <u>1,276,946</u>
Total		\$ <u>1,276,946</u>

MAHONING TOWNSHIP AUTHORITY
DANVILLE, PENNSYLVANIA
NOTES TO FINANCIAL STATEMENTS
For The Year Ended September 30, 2015

NOTE 2 - CASH AND CASH EQUIVALENTS AND INVESTMENTS (Continued)

Custodial Credit Risk - Investments

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investments or collateral security that are in the possession of an outside party. The Authority has no investment subject to custodial credit risk.

Interest Rate Risk

The Authority does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

The Authority has no investment policy that would limit its investment choices to certain credit ratings.

Concentration of Credit Risk

The Authority places no limit on the amount the Authority may invest in any one issuer. The investments of the Authority at September 30, 2015 consist of certificates of deposit only.

NOTE 3 - CAPITAL ASSETS

A summary of capital asset transactions during the year ended September 30, 2015 is as follows:

<u>Cost</u>	<u>Balance</u> <u>October 1, 2014</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance</u> <u>September 30, 2015</u>
System Acquisition	\$ 1	0	0	1
Water/Sewer System	5,146,644	38,951	0	5,185,595
Vehicles	62,961	0	0	62,961
Equipment/Furniture	<u>209,834</u>	<u>1,653</u>	<u>0</u>	<u>211,487</u>
Capital Assets- Cost	5,419,440	40,604	0	5,460,044
Accumulated Depreciation	<u>(2,529,825)</u>	<u>(115,104)</u>	<u>0</u>	<u>(2,644,929)</u>
Capital Assets- Net	\$ <u>2,889,615</u>	<u>(74,500)</u>	<u>0</u>	<u>2,815,115</u>

The previously existing system acquired by grant from the Borough of Danville is shown at a nominal value of \$1.00, since no appraisal has been made of its actual value.

MAHONING TOWNSHIP AUTHORITY
DANVILLE, PENNSYLVANIA
NOTES TO FINANCIAL STATEMENTS
For The Year Ended September 30, 2015

NOTE 4 - AMORTIZATION AND DEPRECIATION EXPENSE

The water contract, recorded under other assets, is amortized at a rate of \$ 23,333 per year for fifteen (15) years.

The water distribution system and sewer collection systems and equipment are being depreciated on the straight line method over a fifty (50) year life. The storage building is depreciated the straight-line method over a twenty (20) year life. Equipment and vehicles are depreciated on the straight-line method over a five (5) year life. Office furniture is depreciated on the straight-line method over a seven (7) year life.

NOTE 5 - PENSION PLAN

The Mahoning Township Authority participates in a pension plan administered by the Pennsylvania Municipal Retirement System (PMRS). The Mahoning Township Authority pension plan is a single-employer defined benefit pension plan controlled by the provisions of the resolution dated 11-11-97 adopted pursuant to Act 15. The plan participates in the Pennsylvania Municipal Retirement System (PMRS) which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Comprehensive Annual Financial Report (CAFR). A copy of the CAFR can be obtained by contacting the PMRS accounting office.

NOTE 6 – RISK MANAGEMENT

The Authority is exposed to various risks of loss related to theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Authority has purchased various insurance policies to safeguard its assets from risk of loss. Insurance coverage appears to be consistent with previous years.

NOTE 7 – CONTINGENT LIABILITIES

Litigation

In December of 2014, the Borough of Danville filed a lawsuit against the Authority in the Montour County Court of Common Pleas Docket No. 486-2014 claiming a billing discrepancy resulting in underreported usage of their sewage treatment services and underpayment for services. The Authority has undertaken a review of its billing calculations, and a determination has not been made at February 4, 2016, which is the date these financial statements were available to be issued. Accordingly, as the effect of these legal proceedings on the financial statements is not known and the financial statements are presented on the modified cash basis of accounting, no provision for losses has been recorded.

The Authority is party to certain other pending and/or threatened legal proceedings. It is not possible to estimate the outcome or liability, if any, to the Authority at February 4, 2016, which is the date these financial statements were available to be issued. Accordingly, as the effect of these legal proceedings on the financial statements is not known and the financial statements are presented on the modified cash basis of accounting, no provision for losses has been recorded.

NOTE 8 – SUBSEQUENT EVENTS

The Authority has evaluated all events subsequent to the financial statement date of September 30, 2015 through February 4, 2016 which is the date these financial statements were available to be issued, and has determined that there are no subsequent events that require recognition of disclosure.

INDEPENDENT AUDITOR'S REPORT

Sept 2016

To the Members of the Board
Mahoning Township Authority
1101 Bloom Street
Danville, Pennsylvania 17821

We have audited the accompanying modified cash basis financial statements of the business-type activities of Mahoning Township Authority, as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the

circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the business-type activities of Mahoning Township Authority as of September 30, 2016, and the respective changes in modified cash basis financial position thereof for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 1 - Significant Accounting Policies

Description of Reporting Entity

The Mahoning Township Authority was organized in 1951 by the Board of Supervisors of Mahoning Township, County of Montour, Pennsylvania under the Municipal Authorities Act of 1945. The Authority is located in Danville, Pennsylvania. The Mahoning Township Authority provides water and sewer service in an expanding area along Bloom road, and in various developments. This area is adjacent to the eastern boundary of the Borough of Danville, County of Montour, Pennsylvania. Service mains are connected with the Borough of Danville system and these services are purchased from the Borough by the Authority.

Basis of Accounting

The Authority's policy is to prepare its financial statements on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America in that certain revenues and related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when a liability is incurred with modifications having substantial support. These modifications include the recognition of payroll withholdings incurred but not yet paid at September 30, 2016, escrow deposits, and the recording of capital assets arising from cash transactions and depreciating the assets where appropriate.

Basis of Presentation

Proprietary funds are used to account for operations that are financed and operated to recover the costs of providing goods and services to the general public primarily through user charges. All assets and liabilities associated with a proprietary fund's activities are included on its statement of net position.

Since the Authority accounts for all of its transactions in one Proprietary fund, the Authority's fund based financial statement is also its entity-wide governmental financial statement as required by the Governmental Accounting Standards board.

The Mahoning Township Authority utilizes the following accounts to record their financial activity. The summary of these separate accounts comprise the proprietary fund of the Authority.

Authority Operating Account – The Authority shall pay all reasonable administrative and operating expenses of the Authority.

Transfer Account – The Transfer Account is a collection account for the receipts of the Authority. These monies are then transferred to the operating account of the Authority.

Escrow Accounts – Individual escrow accounts are administered by the Authority on behalf of local developers.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 1 - Significant Accounting Policies - continued

Cash and Cash Equivalents

Cash and Cash Equivalents include amounts in demand and interest-bearing bank deposits and in petty cash and are carried at cost plus accrued interest, which is fair value.

Investments

Investments are recorded at fair value. Fair value is based on quoted market prices.

Capital Assets

Capital assets include property, plant, and equipment, and infrastructure assets (e.g., water and sewer lines and similar items). Capital assets are defined by the Authority as assets with an initial, individual cost of more than \$1,500 and an estimated useful life in excess of one year. In addition, capital assets purchased with long-term debt may be capitalized regardless of the thresholds established. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

All reported capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Infrastructure	50
Buildings	20
Building Improvements	20
Land Improvements	50
Furniture	5 to 10
Vehicle	5 to 10
Equipment	5 to 40
Computer Software	5 to 10

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position and or balance sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Authority does not have any items that qualify for reporting in this category.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 1 - Significant Accounting Policies - continued

Deferred Outflows/Inflows of Resources - continued

In addition to liabilities, the statement of financial position and or balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Authority does not have any items that qualify for reporting in this category.

Net Position

Net Position presents the difference between assets and liabilities in the statement of net position. Net position invested in capital assets is reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Net position is reported as restricted when there are legal limitations imposed on its use by trust indenture or external restrictions by creditors, grantors, laws or regulations of other governments.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Definition of Operating and Nonoperating Revenues and Expenses

Operating income reported in proprietary fund financial statements includes revenues and expenses related to the primary, continuing operation of the fund. Principal operating revenues for proprietary funds are charges to customers for sales and services. Principal operating expenses are the costs of providing goods or services and include administrative expenses and depreciation of capital assets. Other revenues and expenses are classified as nonoperating in the financial statements.

Note 2 – Cash and Cash Equivalents and Investments

Pennsylvania municipal statutes provide for investment of Authority funds into certain authorized investment types including U. S. Treasury bills, other short-term U.S. and Pennsylvania government obligations, and insured or collateralized time deposits and certifications of deposit. The statutes do not prescribe regulations related to demand deposits; however, they do allow the pooling of Authority funds for investment purposes.

Cash equivalents are defined as short-term, highly liquid investments that are readily convertible to known amounts of cash and include investments with original maturities of one year or less. Cash and cash equivalents consist of demand deposits at various financial institutions. The market values of deposits are equal to the cost of the deposits. The investments of the Authority consist of certificates of deposit. Investments are stated at marked value.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 2 – Cash and Cash Equivalents and Investments - continued

At September 30, 2016, the carrying amount of the Authority's cash and cash equivalents and investments was \$2,789,433. The depository balances throughout the year were covered by federal depository insurance or by collateral held by the pledging banks trust department. These amounts are secured by the pledging of pooled assets as collateral in accordance with the Act of August 6, 1971 (P.L. 281, No. 72), relating to pledges of assets to secure deposits of pledge funds.

CASH AND CASH EQUIVALENTS

The cash accounts are held at First Keystone Community Bank, FNB Bank, and Jersey Shore State Bank. At September 30, 2016, the Authority's book cash balance was \$1,491,199 and the bank balance was \$1,512,082.

Statutes authorize the Authority to invest in savings accounts, certificates of deposits or obligations of the U.S. Treasury, agencies and instrumentalities of the U.S. government, the Commonwealth of Pennsylvania or any state agency or any Pennsylvania political subdivision, or shares of mutual funds whose investments are restricted to the above categories.

At September 30, 2016, the Authority held the following certificates of deposits.

Bank	CD#	Balance at 09/30/2016	Interest Rate	Maturity Date
Jersey Shore State Bank	3251056263	\$ 104,597	2.00%	5/22/2019

Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 2 – Cash and Cash Equivalents and Investments - continued

Interest Rate Risk

The Authority does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

The Authority has no investment policy that would limit its investment choices to certain credit ratings.

Concentration of Credit Risk

The Authority places no limit on the amount the Authority may invest in any one issuer. The investments of the Authority as September 30, 2016 consist of certificates of deposit only.

Note 3 – Capital Assets

A summary of capital asset transactions during the year ended September 30, 2016 is as follows:

	Balance at September 30, 2015	Additions	Reductions	Balance at September 30, 2016
Capital Assets Being Depreciated				
Water/Sewer System	\$ 5,185,595	\$ 237,563	\$ (177,000)	\$ 5,246,158

Total Capital Assets Being Depreciated-Net	<u>\$ 2,815,114</u>	<u>\$ 135,908</u>	<u>\$ -</u>	<u>\$ 2,951,022</u>

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 4 – Pension Plan

The Mahoning Township Authority participates in a pension plan administered by the Pennsylvania Municipal Retirement System (PMRS). The Mahoning Township Authority pension plan is a single-employer defined benefit pension plan controlled by the provisions of the resolution dated 11-11-97 adopted pursuant to Act 15. The plan participates in the Pennsylvania Municipal Retirement System (PMRS) which is an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating municipal pension plans. PMRS issues a separate Comprehensive Annual Financial Report (CAFR). A copy of the CAFR can be obtained by contacting the PMRS accounting office.

Note 5 – Risk Management

The Authority is exposed to various risks of loss related to theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Authority has purchased various insurance policies to safeguard its assets from risk of loss. Insurance coverage appears to be consistent with previous years.

Note 6 – Contingent Liabilities

Litigation

In December of 2014, the Borough of Danville filed a lawsuit against the Authority in the Montour County Court of Common Pleas, Docket No. 486-2014, claiming a billing discrepancy resulting in underreported usage of their sewage treatment services and underpayment for services. The court granted a summary judgement to Danville Borough and Danville Municipal Authority against the Authority. The case has been listed for trial and a pretrial conference is scheduled for March 2017. As the effect of these legal proceedings on the financial statements is not known and the financial statements are presented on the modified cash basis of accounting, no provision for losses has been recorded.

The Authority is party to certain other pending and/or threatened legal proceedings. It is not possible to estimate the outcome. The financial statements are presented on the modified cash basis of accounting, no provision for losses has been recorded.

Note 7 – Subsequent Events

The Authority has evaluated all events subsequent to the financial statement date of September 30, 2016 through February 8, 2017 which is the date these financial statements were available to be issued.

On February 2, 2017, the Board of Directors of the Mahoning Township Municipal Authority (the "Authority") voted to authorize the filing of Praecipe to Settle, Discontinue and End the Civil Suite No. 392-2016 (Mahoning Township Municipal Authority v. Township of Mahoning) seeking an injunction to stay the effectiveness of the Resolution enacted by the Board of Supervisors of Mahoning Township (the "Township") to dissolve the Authority.

MAHONING TOWNSHIP AUTHORITY
Notes to the Financial Statements
For the Year Ended September 30, 2016

Note 7 – Subsequent Events -- continued

The Authority's Board Chairman has been authorized to execute any documents reasonably necessary to effectuate the transfer of the Authority's assets and permits to the Township. Given that there are no outstanding debts of the Authority, no further action need to be taken by the Authority. Upon discontinuance of this matter the township by law will assume control of the Authority's assets and operations. The Authority has no further obligation to the Township or any further obligation to act as a corporate body.

Board Members
Mahoning Township Authority
Danville, PA

In planning and performing our audit of the financial statements of the business-type activities of the Mahoning Township Authority as of and for the year ended December 31, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered the Mahoning Township Authority's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Mahoning Township Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Mahoning Township Authority's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the following deficiencies in internal control to be material weaknesses:

1. Management lack of knowledge of GAAP

Observation:

Board members and management that are responsible for the accounting and reporting function lack the technical skills and governmental accounting knowledge to apply generally accepted accounting principles in recording the entity's higher level financial transactions or preparing its audited financial statements. We believe this to be a material weakness. This is a common occurrence in small governmental organizations with limited resources and employees.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in internal control to be significant deficiencies:

2. Segregation of duties

Observation:

There is no segregation of duties. The secretary performs all tasks related to cash receipts, from billings to collections to recording the receipts in the general ledger. The same is true with the cash disbursements from invoices to writing the checks to recording the payment in the general ledger. Although the board has implemented some checks and balances where the work of the secretary is reviewed by board members, we believe this lack of segregation of duties to be a significant deficiency.

This communication is intended solely for the information and use of management and the Mahoning Township Authority's board members, and others within the Mahoning Township Authority, and is not intended to be, and should not be, used by anyone other than these specified parties.

To the Board Members and Management of
Mahoning Township Authority

We have audited the financial statements of the business-type activities of the Mahoning Township Authority for the year ended September 30, 2016. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and Government Auditing Standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 13, 2016. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Mahoning Township Authority are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2016. We noted no transactions entered into by the Mahoning Township Authority during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated January 12, 2017.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Mahoning Township Authority's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

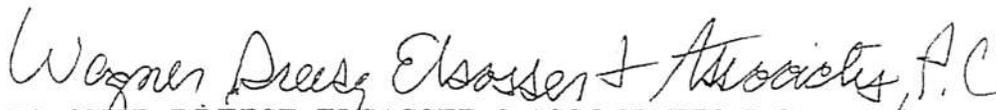

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Mahoning Township Authority's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Restriction on Use

This information is intended solely for the use of the Board Members and Management of the Mahoning Township Authority and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

WAGNER, DREESE, ELSASSER & ASSOCIATES, P.C.

Certified Public Accountants and Consultants

66 Pa. C.S. Section 1329 Application Completeness Review
SUEZ Water Pennsylvania, Inc. – Wastewater Division
Mahoning Township Wastewater Acquisition at Docket No. A-2018-3003517

4. Checklist Item No. 9 – The verification statements provided by each Utility Valuation Expert (UVE) do not specifically state that the UVE has no affiliation with the buyer or seller. Please provide revised verification statements that address this issue for both UVEs.

Answer:

Please see attached revised verifications of ScottMadden, Inc. and Gannett Fleming Valuation and Rate Consultants LLC.

VERIFICATION OF UTILITY VALUATION EXPERT

I, Dylan D'Ascendis, am Director for ScottMadden, Inc. ("ScottMadden"). ScottMadden is a Utility Valuation Expert ("UVE") in the Commonwealth of Pennsylvania approved by the Pennsylvania Public Utility Commission (Utility Code 9919278). In connection with the foregoing application, I hereby state the following:

1. The Township of Mahoning ("Township") as seller selected ScottMadden, a UVE in the Commonwealth of Pennsylvania approved by the Pennsylvania Public Utility Commission to perform a fair market value appraisal of the wastewater system and related assets (the "System") owned by the Township.
2. SUEZ Water Pennsylvania Inc. ("SWPA") as buyer selected Gannett Fleming Valuation and Rate Consultants, LLC (Utility Code 9919244), a UVE in the Commonwealth of Pennsylvania approved by the Pennsylvania Public Utility Commission, to perform a fair market value appraisal of the System.
3. As Director for ScottMadden, I and my staff prepared a fair market value appraisal of the System on the Township's behalf dated June 26, 2018 (the "Fair Market Value Appraisal").
4. The facts set forth in the Fair Market Value Appraisal are true and correct to the best of my knowledge, information, and belief.
5. As Director, I and my staff determined the fair market value of the System in compliance with the Uniform Standards of Professional Appraisal Practices, employing the cost, market and income approaches, as required by 66 Pa. C.S. § 1329(a)(3).
6. Neither ScottMadden nor I nor any members of ScottMadden's staff derived any material benefit from the sale of the System other than fees for services rendered.

7. Neither I nor any members of ScottMadden's staff are an immediate family member of a director, officer or employee of either SWPA or the Township within a 12-month period of the date the Township engaged ScottMadden to perform the Fair Market Value Appraisal.
8. ScottMadden has no affiliation with either SWPA or the Township.
9. I make this verification subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).

VERIFICATION OF UTILITY VALUATION EXPERT

I, Harold Walker III, Manager of Financial Studies for Gannett Fleming Valuation and Rate Consultants, LLC (“Gannett Fleming”). Gannett Fleming is a Utility Valuation Expert (“UVE”) in the Commonwealth of Pennsylvania approved by the Pennsylvania Public Utility Commission (Utility Code 9919244). In connection with the foregoing application, I hereby state the following:

1. The Township of Mahoning (“Township”) as seller selected ScottMadden, Inc. (“ScottMadden”), a UVE in the Commonwealth of Pennsylvania approved by the Pennsylvania Public Utility Commission (Utility Code 9919278) to perform a fair market value appraisal of the wastewater system and related assets (the “System”) owned by the Township.
2. SUEZ Water Pennsylvania Inc. (“SWPA”) as buyer selected Gannett Fleming, a UVE in the Commonwealth of Pennsylvania approved by the Pennsylvania Public Utility Commission, to perform a fair market value appraisal of the System.
3. As Manager of Financial Studies for Gannett Fleming, I and my staff prepared a fair market value appraisal of the System on SWPA’s behalf dated June 2018 (the “Fair Market Value Appraisal”).
4. The facts set forth in the Fair Market Value Appraisal are true and correct to the best of my knowledge, information, and belief.
5. As Manager of Financial Studies, I and my staff determined the fair market value of the System in compliance with the Uniform Standards of Professional Appraisal Practices, employing the cost, market and income approaches, as required by 66 Pa. C.S. § 1329(a)(3).

6. Neither Gannett Fleming nor I nor any members of Gannett Fleming's staff derived any material benefit from the sale of the System other than fees for services rendered.
7. Neither I nor any members of Gannett Fleming's staff are an immediate family member of a director, officer or employee of either SWPA or the Township within a 12-month period of the date SWPA engaged Gannett Fleming to perform the Fair Market Value Appraisal.
8. Gannett Fleming has no affiliation with either SWPA or the Township.
9. I make this verification subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).

66 Pa. C.S. Section 1329 Application Completeness Review
SUEZ Water Pennsylvania, Inc. – Wastewater Division
Mahoning Township Wastewater Acquisition at Docket No. A-2018-3003517

5. Checklist Item No. 13 - The proposed tariff provided in the Application as Appendix A-13-a identifies residential rates that do not equal the existing rates of the seller. The Application indicates Mahoning Township's current residential rate is a flat \$168.59 per quarter and that SUEZ Water Pennsylvania, Inc. – Wastewater Division (SUEZ-WD) intends to switch to monthly billing for residential customers which would equate to a rate of about \$56.2 per month. Instead, SUEZ-WD's proposed tariff indicates the residential rate will be \$36.80 per month and vaguely notes the addition of two surcharge percentages of 25% and 15% "based upon a charge by Danville to Mahoning" which would appear to create an overall effective rate of \$52.90 per month. Please revise the proposed tariff to reflect rates equivalent to the current rates of the seller.

Answer: Please see attached revised tariff.

Township of Mahoning, a portion of Cooper Township and a portion of Valley Township
Montour County, Pennsylvania

(A)

SCHEDULE OF DELIVERY RATES

(A)

Application:

To all customers residing in the Township of Mahoning, a portion of Cooper Township and a portion of Valley Township Montour County served by SUEZ Water Pennsylvania.

Charges:

Per Month

Residential – Flat Rate

\$56.20

All other customers shall be billed the higher of the Flat rate, the Consumption rate or the EDU rate. The EDU rate shall be applied to the number of employees or in the case of hotels or the number of rooms.

Per Month

Category	Water Charge per 1,000 Gallons	Flat Rate per Employee/Room	Flat Rate
Commercial	\$ 7.68	\$4.66	\$ 56.20
Banks	\$ 7.68	\$4.66	\$ 112.39
Medical Office	\$ 7.68	\$4.66	\$ 112.39
Restaurant	\$ 7.68	NA	\$ 224.79
Hotels	\$ 7.68	\$18.44	NA
Daycare	\$ 7.68	\$4.66	\$ 56.20
Nursing	\$ 7.68	\$18.44	\$ 56.20
Public	\$ 7.68	NA	\$ 252.89
Industrial	\$ 7.68	\$21.07	\$ 112.39

Conditions of Contract:

The volume charge is based on all metered domestic water consumed by a customer during the billing period, except as otherwise provided. A wastewater customer who has water supplied by sources other than SUEZ Water Pennsylvania, shall be required to maintain a meter for the purpose of measuring water flow to any structure determined to be served by the wastewater collection system.

Terms of Payment:

Bills for service under this Schedule will be rendered monthly or quarterly in the arrears at the rates shown above, and are payable within twenty (20) days after the date the bill is rendered.

66 Pa. C.S. Section 1329 Application Completeness Review
SUEZ Water Pennsylvania, Inc. – Wastewater Division
Mahoning Township Wastewater Acquisition at Docket No. A-2018-3003517

6. Checklist Item No. 15 – Please revise or supplement Appendix A-15-a and A-15-f to address the following:
- a. The identity of the engineer who was in responsible charge of the Engineer’s Assessment, as provided in Appendix A-15-a, is unclear and the document is not signed and sealed.
 - b. Appendix A-15-a appears to be missing information. Specifically, the document titled “Mahoning Township Water and Sewer Department Book Asset Detail as of 4/30/21018” contains a subtotal of \$211,487 for the General Assets category, but only indicates four values totaling \$49,807.
 - c. The Engineer’s Assessment included in the Application as Appendix A-15-a does not separately identify plant held for future use.
 - d. The information provided in the Application’s Appendix A-15-f is unclear. Please revise the response provided in the Application’s Appendix A-15-f to clearly quantify the tentative journal entries in dollars for booking the acquisition.

Answer:

- a. Please see attached letter from Larson Design Group and signed and sealed engineer’s assessment.
- b. Please see attached signed and sealed engineer’s assessment.
- c. Please see attached letter from Larson Design Group.
- d. A revised version of Appendix A-15-f is attached.

Mahoning Township

Water and Sewer System Assets

Background

Overview of the Township's Water and Sewer Facilities

Water and Sanitary Sewer System

The Township's water and sanitary sewer system consists of facilities for pumping, storage and distribution of potable water and the collection and conveyance of sanitary sewage to customers in Mahoning, Valley and Cooper Townships, Montour County, Pennsylvania.

The water system includes approximately twenty (20) miles of water distribution piping, three (3) water storage tanks and four (4) water booster/pumping stations. The Township obtains potable water from Danville Borough via piping interconnections at Route 11 and Bloom Road. Water is metered at the Route 11 connection using a 6" turbine type flow meter. The meter at Bloom Road is a 4" turbine type meter. Each meter is installed in an underground concrete vault. The Township is permitted to operate the water system under Pennsylvania Public Water Supply Permit PWSID 4470010. The Township's Water Allocation Permit, WA-47-1006A, authorizes the Township to purchase up to 765,000 gallons of water per day from Danville Borough.

The sanitary sewer system includes approximately 26 miles of vitrified clay and PVC gravity sewers and three (3) pumping stations. Wastewater is conveyed to the Danville Municipal Authority for treatment and disposal. Flow metering stations located at Spring Street and Route 11 meter wastewater flows from the Township system where it enters Danville's collection system. A third unmetered connection is located at Lower Street. There are approximately 50 residential dwelling units located in the Lower Street service area.

Overview of the Study

The Engineer's inventory of assets was determined using accounting records of the Township and Mahoning Township Municipal Authority, mapping of the sewer and water systems, construction records and input from Township staff. Following is a listing of assets and available information:

Lands and Right of Way

Description	Date Recorded	Deed Book/Page Number
Montgomery Village Water Booster Station (0.911 acres)	October 23, 1978	407/0265
Route 11 Interceptor Sewer (1.231 acres)	March 16, 1983	407/0271
Wood of Welsh Water Booster Station and Maintenance Building (1.7 acres)	September 12, 1961	407/0275
Water Storage Tank Site (1.7 acres and 0.323 acres)	September 12, 1961 and January 17, 1989	407/0278
Perpetual Easement	May 29, 190	115/974
Perpetual Easement	June 4, 1985	128/1577
Right-of-Way	November 2, 1989	149/782
Assignment of Easement Agreements	June 1, 1990	151/1500
Easement	November 18, 1991	159/996
Easement	November 18, 1991	159/1000
Easement	November 18, 1991	159/1004
Easement	November 22, 1993	173/566
Assignment of Easements and Rights-of-Way	April 26, 1994	176/537
Assignment of Rights-of-Way and Easement	November 2, 1995	184/825
Indenture for Easement	August 1, 1995	183/96
Indenture for Easement	August 1, 1995	183/100
Indenture for Easement	August 1, 1995	183/104
Perpetual Easement	July 8, 1997	194/270
Deed of Dedication – Utility Easement	June 3, 1998	199/1577
Easement	March 7, 2001	219/1416
Grant of Easement for Water Line	October 21, 1998	202/1413
Easement	December 6, 1999	211/923
Deed of Easement	March 31, 2000	213/499
Easement Agreement	June 18, 2008	314/85
Easement Agreement	June 18, 2008	314/90
Easement	May 7, 2009	324/685
Deeds of Right-of-Way or Other Easements	September 26, 2011	49/460

Water Storage Tanks

300,000 Gallon Tank

The tank is a welded steel tank with a concrete foundation. The tank was constructed in 1968. The tank was sandblasted and painted in 2008.

500,000 Gallon Tank

The tank is a welded steel tank with a concrete foundation. The tank was constructed in 1991. According to Township records the tank was sandblasted and painted in 2008. The 300,000 gallon and 500,000 gallon tanks are installed on the same site. The overflow elevation of each tank is 872.

75,000 Gallon Tank

The tank is a welded steel tank with a concrete foundation. The tank was constructed around 2007 to serve water customers in the Woods of Welsh Housing Development. Water is supplied to the tank from a water booster station located near the Township's two other storage tanks. The overflow elevation of the tank is 1,207.92. The tank normal operating level is 1,203.

Water Booster Stations

Route 11

The Route 11 Water Booster Station is located along Route 11 approximately 600' west of the intersection of Woodbine Drive and Route 11. Township records do not include the original construction date. The station contains three (3) pumps. Pump 1 is rated for 500 gallons per minute (gpm) at 165 feet TDH. The pump is a close coupled pump with a 30 hp 1,665 rpm motor. Pump 1 runs continuously to supply pressure to the Woodbine Land service area. Pumps 2 and 3 are close coupled pumps with 50 hp motors. These pumps are rated at 700 gpm at 165' TDH. One of these pumps starts when the tank level reaches a predetermined level or pressure in the distribution system drops below a set point. The pumps alternate automatically. According to Township records the station was upgraded in 2003 and installation of a new standby generator which powers both the Route 11 Sewage Pump Station and Water Booster Station was completed in 2013.

Montgomery Village Booster Station

The Montgomery Village Booster Station contains two (2) horizontal split case pumps with 25 hp motors. Each pump is rated for 600 gpm at 150' TDH. This station supplies water to the 300,000 and 500,000 gallon tanks. The pumps are started and stopped based on predetermined levels in the water storage tanks. The pumps alternate lead and lag position automatically. Chlorine can be added at this station if needed to maintain adequate chlorine residual. Township records do not indicate an original construction date.

Edgewood Booster Station

This station is located at the intersection of Red Lane and Kaseville Road. The station boosts water pressure in the Edgewood Development. The pumps are rated at 40 gpm at 145' TDH. One pump runs continuously, and they alternate every 24 hours. The station was constructed in 1999.

Woods of Welsh Booster Station

The Woods of Welsh Booster Station is located near the Red Lane Tank Site. The station was constructed around 2007 to supply water to the Woods of Welsh Housing Development. The booster station operates from preset tank levels in the Woods of Welsh water storage tank.

Pressure Reducing Station

There are 3 pressure reducing stations in Mahoning's water distribution system.

- Kaseville Road: The station is located along Kaseville Road approximately 500' south of the intersection with Frosty Hills Drive.
- Woodbine Drive: The station is located east of Woodbine Drive, south of Bloom Road.
- Bloom Road: The station is located at the intersection of Bloom Road and Laura Drive.

Chlorination Building

The Township installed facilities to boost the chlorine residual to the Woods of Welsh Development in 2009. This facility is located on Township property just north of Red Lane and east of Welsh Road. This site also houses the Woods of Welsh Booster Station and a storage building.

Storage Building

The Township constructed a storage building to store spare water and sewer supplies. The storage building and contents are to be conveyed with the water and sewer system.

Sewage Pumping Stations

Route 11

The Route 11 Sewage Pumping Station is located on the same site as the Route 11 Water Booster Station. The station is equipped with two (2) 525 gpm constant speed pumps. A Muffin Monster sewage grinder was installed in the station in 1995 and the generator was replaced in 2013 to provide standby power to both the sewage pump station and water booster station.

Maria Joseph Pump Station

The Maria Joseph Pump Station is located along Grotto Drive in the Maria Joseph complex. The station is equipped with 2 submersible pumps rated at 150 gpm each. The station was installed in 1998.

Telemetry System

A telemetry system was originally installed to monitor the water and sewer system in 2005. The system was upgraded in 2013 and 2014.

Re: SUEZ Water Pennsylvania, Inc – Wastewater Division
Mahoning Township Wastewater Acquisition
Docket A-2018-3003517
Appendix A-15-a

To whom it may concern:

In response to Item 6.c of the Missing Application Information checklist regarding separate identification of plant held for future use. There are no assets being transferred that are reserved for future use. All assets being transferred are in use.

If you have any questions, please feel free to contact me at LDG's Williamsport office at 570-651-1546 or via dwalters@larsondesigngroup.com.

66 Pa. C.S. Section 1329 Application Completeness Review
SUEZ Water Pennsylvania, Inc. – Wastewater Division
Mahoning Township Wastewater Acquisition at Docket No. A-2018-3003517

8. Checklist Item No. 17 - The Application's Appendix A-17-b does not adequately demonstrate SUEZ-WD's ability to provide adequate wastewater collection, treatment, and disposal capacity to meet present and future customer demands within the requested territory. Please quantify the actual daily flow Mahoning Township conveys to the Danville Municipal Authority's wastewater system and verify if Mahoning Township's current wastewater flow allocation of 1,113,000 gallons per day to the Danville Municipal Authority's wastewater system can satisfy future customer demands within the requested territory.

Answer: Please see revised Appendix A-17-b, attached.

**Application of SUEZ Water Pennsylvania Inc. for the Acquisition of Wastewater Assets of
the Township of Mahoning Pursuant to 66 Pa. C.S. §1329
Application Filing Checklist –Wastewater
Docket No. A-2018-_____**

17. Customers.
- b. Buyer shall demonstrate its ability to provide adequate water supply, treatment, storage and distribution or adequate wastewater collection, treatment or disposal capacity to meet present and future customer demands.

RESPONSE:

- b. Danville Municipal Authority provides wastewater treatment for the Wastewater System pursuant to the Agreement dated January 22, 1968 among Danville Municipal Authority, Borough of Danville and Mahoning Township Authority, attached as **Appendix B-6**, as amended by an Amendment dated May 21, 1985. According to that amended agreement, Mahoning's Wastewater System may transport an average flow of 1,113,000 gallons per day to Danville's wastewater system for treatment and disposition. In 2017, Mahoning Township's average daily flow to the Danville Municipal Authority was 342,000 gpd. As a result, SUEZ has adequate wastewater collection, treatment and disposal capacity to meet present and future customer demands.

66 Pa. C.S. Section 1329 Application Completeness Review
SUEZ Water Pennsylvania, Inc. – Wastewater Division
Mahoning Township Wastewater Acquisition at Docket No. A-2018-3003517

9. Checklist Item No. 18 – A signed and dated copy of Mahoning Township’s wastewater rate schedule and rates, rules and regulations were not provided in the Application’s Appendix A-18-b making Mahoning Township’s effective rates, rules and regulations for wastewater service uncertain. Please provide a copy of the signed resolutions and ordinances enacting the same.

Answer: Please see attached ordinances.

C

RESOLUTION NO. 2017 - 01
TOWNSHIP OF MAHONING

**A RESOLUTION OF THE TOWNSHIP OF MAHONING, MONTOUR COUNTY,
PENNSYLVANIA ADOPTING RATES FOR SEWER AND WATER SERVICE
FOR ALL USERS CURRENTLY RECEIVING SUCH SERVICE FROM
MAHONING TOWNSHIP MUNICIPAL AUTHORITY WHO WILL BE SERVED BY
MAHONING TOWNSHIP UPON THE TRANSFER OF THE
WATER AND SEWER SYSTEMS TO MAHONING TOWNSHIP BY THE
MAHONING TOWNSHIP MUNICIPAL AUTHORITY**

WHEREAS, the Township of Mahoning (the "Township") is in the process of taking over the operations of the water and sewer systems currently operated by the Mahoning Township Municipal Authority (the "Authority"); and

WHEREAS, the Authority has established rates related to service, connection and related matters for users within the area serviced by the Authority; and

WHEREAS, the Township desires to adopt the rates established the Authority as of January 1, 2017 related to water and sewer service, connection and related matters; and

WHEREAS, it is the Township's intention that the rates currently being utilized by the Authority would continue after the transition of the water and sewer system from the Authority to the Township; and

WHEREAS, the Township will apply the same rates adopted for water and sewer service, connection and related matters to all users including those located outside of the Township; and

WHEREAS, the Township will seek approval from the Public Utility Commission (the "PUC") for the continuance of service to the users located outside of Mahoning Township; and

WHEREAS, the Township will not expand service outside of Mahoning Township without obtaining any required PUC approvals; and

NOW, THEREFORE, be it resolved that:

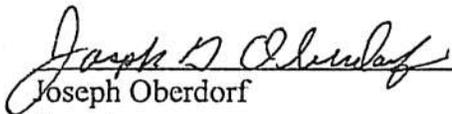

1. The Township hereby adopts the rates established by the Authority, as of January 1, 2017, for water and sewer service, connection and all other matters related to the water and sewer systems.
2. The adopted rates will go into effect upon the Township's assumption of the water and sewer systems currently operated by the Authority.
3. The Township will apply the same rates to users located within and outside of Mahoning Township.

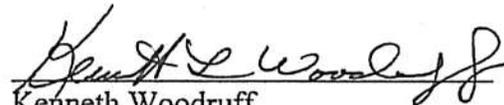

- 4. The Township will not expand service outside of Mahoning Township without obtaining any required PUC approvals.
- 5. The Board of Supervisors of the Township may, from time to time, alter, modify, revise, amend and/or add to its list of rates by resolution properly approved at a public meeting.
- 6. Notwithstanding any provision in this Resolution to the contrary, the Township shall have the authority to enter into special agreements with the owner of any property, with respect to terms and conditions upon which sewage may be discharged to the Township's wastewater collection system in respect to payments to be made to the Township in connection therewith.

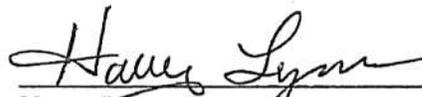

Adopted by the Board of Supervisors of the Township of Mahoning on this 16 day of January, 2017

**RESOLUTION NO. 2017 - 04
TOWNSHIP OF MAHONING**

**A RESOLUTION OF THE TOWNSHIP OF MAHONING,
MONTOUR COUNTY, PENNSYLVANIA PERTAINING TO
TERMS AND CONDITIONS OF WATER AND SEWER
SERVICE FOR EXTRATERRITORIAL CUSTOMERS**

WHEREAS, effective February 2, 2017, the Township of Mahoning (the "Township") took over the operations of the water and sewer systems previously operated by the Mahoning Township Municipal Authority (the "Authority"); and

WHEREAS, by Resolution 2017-01, adopted January 16, 2017, the Township adopted the rates established the Authority as of January 1, 2017 related to water and sewer service, connection and related matters; and

WHEREAS, it is the Township's intention the same rates adopted for water and sewer service, together with billing, connection and related matters, will apply to all users including those located outside of the Township; and

WHEREAS, in proceedings before the Public Utility Commission (the "PUC"), questions arose as to whether Resolution 2017-01 applied to termination, billing, payments and service complaints; and

WHEREAS, the Township now desires to amend Resolution 2017-01 to clarify that it will treat extraterritorial customers (those residing outside of Mahoning Township) in the same manner that it treats territorial customers (those residing within Mahoning Township) with respect to termination, billing, payments and service complaints.

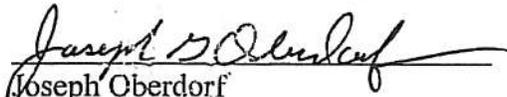

NOW, THEREFORE, be it resolved that:

1. The Township, having adopted the rules and regulations of the Mahoning Township Authority as of January 1, 2017, for water and sewer service, hereby resolves that extraterritorial customers shall be entitled to the same rights and subject to the obligations as territorial customers with respect to the Township's rules and regulations regarding water and sewer service, including without limitation rules and regulations relating to termination, billing, payments and service complaints.
2. The Board of Supervisors of the Township may, from time to time and in accordance with applicable law, alter, modify, revise, amend, promulgate and/or repeal all or any portion of its rules and regulations regarding water and sewer service, provided that any such alteration, modification, revision, amendment, promulgation and/or repeal shall not unreasonably impose any burden on extraterritorial customers that it does not likewise impose on territorial customers.

3. Notwithstanding any provision of this Resolution to the contrary, however, if the facts and circumstances obtaining so warrant, the Township shall have the authority to create separate rate districts in consideration for extending sewer or water service to any new customer or customers and to enter into special agreements with the owner of any property with respect to rates, terms and conditions upon which sewage may be discharged to the Township's wastewater collection system, provided that no such rate district or special agreement shall unreasonably burden extraterritorial customers.

Adopted by the Board of Supervisors of the Township of Mahoning on this 17th day of April, 2017

ATTEST

James T.S. Scott, Supervisor

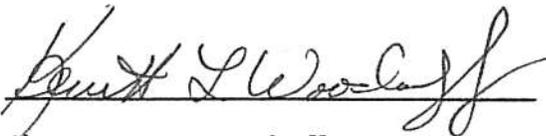

RESOLUTION 6-17

A Resolution setting the residential and sewer rates for Mahoning Township, also Cooper Township and Valley Township residents being served by Mahoning Township.

WHEREAS, the Township of Mahoning, Montour County has received notice from the Danville Municipal Authority that effective January 1, 2017 the water rates being charged to Mahoning Township will be increased ten (10%) percent and the wastewater rates will be increased fifteen (15%) for 2017.

The notification letter from the Danville Municipal Authority was given to the former Mahoning Township Authority on November 22, 2016 and no action was taken by the Authority to notify the Board of Supervisors of the rate increases.

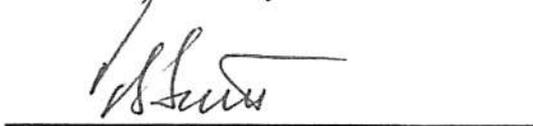

NOW THEREFORE BE IT RESOLVED by the Board of Supervisors of the Township of Mahoning, Montour County, at the Regular Advertised Meeting voted to increase the water rates ten (10%) and the wastewater rates (15%) effective June 1, 2017.

Chairman Ken Woodruff

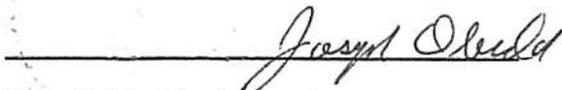

Vice Chairman Bill Lynn

Supervisor T. S. Scott

Joseph Oberdorf, Secretary

66 Pa. C.S. Section 1329 Application Completeness Review
SUEZ Water Pennsylvania, Inc. – Wastewater Division
Mahoning Township Wastewater Acquisition at Docket No. A-2018-3003517

10. Checklist Item No. 19

- a. A copy of the audited “Annual Report of Municipal Authorities (DCED – CLGS – 04) for Mahoning Township Authority” for the year ended September 30, 2016 was provided in Appendix A-19-a instead of the Mahoning Township Authority audited financial statements for the same period. Please provide a copy of the audited financial statements of the Mahoning Township Authority for the year ended September 30, 2016.
- b. The estimated revenues and expenses identified in Appendix A-19-d did not include calculations explaining how they were determined. Please provide calculations to quantify the projected revenues and expenses for the acquisition. At a minimum the calculations for expenses should include operation and maintenance, taxes and depreciation.

Answer:

- a. Please see attachment to Item 2.a., above.
- b. Please see revised version of Appendix A-19-d, attached.

**Application of SUEZ Water Pennsylvania Inc. for the Acquisition of the Wastewater Assets
of the Township of Mahoning Pursuant to 66 Pa. C.S. §1329
Application Filing Checklist – Wastewater
Docket No. A-2018-_____**

19. Cost of Service.

- d. Provide calculations quantifying the projected revenues and expenses for the acquisition.

RESPONSE:

- d. SWPA estimates the Township of Mahoning’s annual wastewater revenues to be approximately \$1,400,000 and annual operating expenses, excluding depreciation to be approximately \$1,048,190.

To determine the wastewater revenues, SUEZ used an average of 4,000 gallons per month to calculate the average annual wastewater customer’s rate: \$674.00 per year. The data in-hand at the time of the application indicated that Mahoning had 2,077 wastewater customers. 2,077 wastewater customers multiplied by the average annual bill of \$674.00 equals \$1,399,898 and this was rounded up to \$1,400,000 in annual wastewater revenues.

Expenses were determined by reviewing Mahoning’s income statements and determining how SUEZ operations would be expected to operate Mahoning’s wastewater system, based on SUEZ’ operational efficiencies. At the time of the application, any shared expenses were allocated 55% to wastewater and 45% to water. Below are the expenses used to determine the O&M expenses for the wastewater and water systems:

Mahoning OPEX Considerations

		Water 45%	Wastewater 55%
Labor	\$ 88,830.00	\$ 39,973.50	\$ 48,856.50
Purchased Water	\$ 360,835.00	\$ 162,375.75	\$ 198,459.25
Sewer to Danville	\$ 762,766.00	\$ -	\$ 762,766.00
Power	\$ 24,948.00	\$ 11,226.60	\$ 13,721.40
Subcontractors	\$ 36,500.00	\$ 16,425.00	\$ 20,075.00
Miscellaneous	\$ 7,840.00	\$ 3,528.00	\$ 4,312.00
	\$ 1,281,719.00	\$ 233,528.85	\$ 1,048,190.15

**Application of SUEZ Water Pennsylvania Inc. for the Acquisition of Water and
Wastewater Assets of the Township of Mahoning Pursuant to 66 Pa. C.S. §1329
Application Filing Checklist – Water/Wastewater
Docket No. A-2018-_____**

Wastewater depreciation expense is not included in the expenses listed above. SUEZ is estimating that the annual book depreciation, based on SUEZ's established depreciation rates, is approximately \$50,920 annually. This is based on an estimated net book value of wastewater assets totaling \$1,606,426 with an average annual depreciation rate of 3.169%.

Wastewater taxes were not included in the expense listed above. SUEZ is estimating that the pre-tax income for the wastewater system is \$300,890 (Wastewater Revenues – O&M expenses – Depreciation expense). The new federal tax rate is 21.6% and the PA state tax rate is 9.99% totaling 31.59%. The estimated wastewater tax expense is \$95,051 (Pre-tax income multiplied by the combined tax rate).

66 Pa. C.S. Section 1329 Application Completeness Review
SUEZ Water Pennsylvania, Inc. – Wastewater Division
Mahoning Township Wastewater Acquisition at Docket No. A-2018-3003517

11. Checklist Item No. 20

- a. The Mahoning Township Chapter 94 Municipal Wasteload Management Report provided in the Application's Appendix A-20-c does not include its referenced attachments. Please provide all the subject report's attachments.
- b. Please provide a copy of the buyer's certified operator's certificates for the certified operator(s) that will operate the Mahoning Township wastewater collection system after the acquisition as referenced in the Application's Appendix A-20-d list.
- c. The Application's Appendix A-20-k does not identify SUEZ-WD's commitment to making the Systems "Smart Utilities" within six months of taking over the Systems, as identified in Appendix A-14-a, Statement No. 1, Page 17. Please amend Appendix A-20-k to identify these changes and state the timeframe and estimated costs, by major plant category, associated with this commitment for the wastewater system.

Answer:

- a. The missing attachment is enclosed.
- b. Please see attached. In addition, staff of the Department of Environmental Protection's State Board for Certification of Water and Wastewater System Operators has reviewed the list of operator's certificates in SUEZ's application, and has confirmed that all operators listed therein currently have valid certificates.
- c. Please see revised Appendix A-20-k, attached.

BOROUGH OF DANVILLE
WASTEWATER TREATMENT FACILITIES

MUNICIPAL WASTELOAD MANAGEMENT (CHAPTER 94) REPORT
CONTRIBUTING MUNICIPALITY WORKSHEET

Municipality Mahoning Township

Mailing Address 849 Bloom Road
Danville, PA 17821

Contact Person Bret LeVan

Telephone Number (570) 275-5521 ext 6

1. LOADING INFORMATION

- a. The total number of *Mahoning Township* Equivalent Dwelling Units (EDUs) connected to the *Borough of Danville's* collection system at the end of 2017 was 2193. This equates to a flow of approximately 0.342 mgd. Please complete the following table, which summarizes the projected number of EDUs to increase over the next five (5) years. All residential developments should be listed, as well as individual commercial/industrial/institutional facilities and a "Miscellaneous Connections" row. Please use additional pages, if necessary.

Development	Total EDUs Planned	Actual EDUs Connected in 2017	Total EDUs connected To Date	Projected EDUs To Be Connected Each Year				
				2018	2019	2020	2021	2022
Woods of Welsh	45	2	41					
Strawberry Fields	58	1	60					
Whisper Hills	57	0	30	2	2	2	2	2
Woodbine Place	23	0	23					
Hawkins	2	0	2					
Miscellaneous	20	7		2	2	2	2	2
Total	205	10		7	4	4	4	4

- b. The increase in the number of connections was derived in the following manner: EDU's are calculated on the number of connections, the number of residents in nursing homes, the number of employees in offices, industries, nursing homes and medical facilities.
- c. The organic loading in lbs BOD₅/day is estimated to be 895 lbs./day. Organic loading was calculated by using a factor of 0.17 lbs/day per capita X (times) the estimated number of persons (5263*).

* Population determined using 2193 EDU x 2.4 people/EDU, includes institutional and commercial EDUs

b. List all sewer extensions approved for future construction, if any: **None Proposed**

Name of Extension	WQM Permit No.	Population (or EDUS) Permitted	Year Construction to Start	Year to Be Completed

c. List all sewer extensions proposed but not approved during 2017: **None**

Name of Extension	Population (or EDUs) Proposed	Year Construction Proposed to Start

d. In addition to the above information relative to each extension, an updated complete map of the entire collection system showing all 2017 extensions and all proposed sewer extensions should be submitted. Also indicate the location of any major or extraordinary system repairs as described in Item 4 below on the map.

4. SYSTEM MAINTENANCE

a. Briefly discuss the program utilized for sewer system monitoring, maintenance, repair, and rehabilitation. Provide a description of any major or extraordinary repairs.

The Township televises laterals on all sold properties. Township staff review the CCTV results and decides if the lateral must be repaired or replaced.

Sewer mains are televised on an as needed basis.

5. SYSTEM CONDITION

- a. Briefly discuss the condition of the sewer system and indicate any portions of the system where the conveyance capacity is being exceeded or will be exceeded in the next five (5) years. Rehabilitation or cleaning work which is underway, planned, or required, should also be discussed.

The Authority’s sewage collection system consists of approximately 50% PVC pipe and 50% clay pipe. Overall the system is in good condition.

6. PUMPING STATION INFORMATION

- a. List all Pumping Stations along with their respective capacities and flows:

Name of Pumping Station	Number of Pumps	Capacity of Each Pump	Actual 2017		Projected 2019	
			Average Daily Flow, mgd	Maximum Day flow, mgd	Average Daily Flow, mgd	Maximum Day flow, mgd
Route 11 Pumping Station	2	525 gpm	0.082241	0.306354	0.08499	0.30910
Meadows @ Maria Joseph Manor	2	150 gpm	0.018	-	0.018	-
Emmanuel Home (Privately Owned)	2		0.015		0.015	

- b. Briefly explain how the average daily flow and maximum daily flow were determined.

The Route 11 Pumping Station is metered. The meter is read on a daily basis and totaled for monthly flows. The Maria Joseph Manor station serves 100 homes (EDU’s). 100 X 180gpd/EDU = 0.018 mgd. The Emmanuel Home is based on annual water consumption record.

- c. Briefly discuss the condition of each pumping station listed above. **The Route 11 and Maria Joseph Manor pump stations are checked on a daily basis. Both stations are in good operating condition.**
- d. Attach a copy of the flow meter calibration report. **The flow meter at the Route 11 Pump Station is not calibrated on a regular basis.**

**Application of SUEZ Water Pennsylvania Inc. for the Acquisition of the Wastewater Assets
of the Township of Mahoning Pursuant to 66 Pa. C.S. §1329**

Application Filing Checklist – Wastewater

Docket No. A-2018-_____

20. Proof of Compliance. Provide proof of compliance with applicable design, construction and operation standards of DEP or of the county health department, or both, including:

k. Provide a statement that identifies all planned physical, operational and managerial changes of the buyer that will occur after closing and state the timeframe and cost for each.

RESPONSE:

k. SWPA intends to interview the current Mahoning employee who operates the System and offer employment, subject to SWPA’s hiring practices and drug testing as a condition of employment at SWPA. Total costs are estimated at \$75,000 per year. No other operational, managerial or physical changes are planned.

In addition, as stated in the Direct Testimony of John D. Hollenbach, General Manager and Vice President of SWPA, SWPA Statement No. 1 p. 17, SWPA intends to make the wastewater system a “Smart Utility” within six months of taking over the System. These changes are identified below, together with their associated timeframes and estimated costs, by major plant category. The costs total \$140,000.

RESPONSE

COSTS	PROJECTS All to be done within six months of take over	PLANT ACCOUNT
\$25,000	GIS Asset Locations	C 19 U101-002
\$25,000	Asset Management above ground registry, condition and risk assessment	C 19 U101-002
\$30,000	Evaluate need and design SCADA enhancements	C 19 U101-002
\$30,000	Wastewater comprehensive review and computerized modeling	C 19 U101-002
\$30,000	Review metering optimization and accuracy. Initiate monthly billing using existing AMI system for residential customers and developing strategy for AMI system for all other customers	C 19 P101-002
