**UPDATED JOINT STIPULATION OF  
COMPLAINANTS CENTRE PARK HISTORIC DISTRICT AND  
THE CITY OF READING AND RESPONDENT UGI UTILITIES, INC.**

---

**TO ADMINISTRATIVE LAW JUDGE MARY D. LONG:**

Centre Park Historic District (“CPHD”) and the City of Reading (“City”) (collectively, “City Parties”) and UGI Utilities, Inc. (“UGI” or the “Company”), by and through their undersigned counsel, hereby submit this update to the Joint Stipulation filed on September 5, 2017, pursuant to Administrative Law Judge Mary D. Long’s (“ALJ”) Interim Order on Joint Stipulation and Briefing dated August 27, 2018. The Updated Joint Stipulation contains all previous stipulations from the Joint Stipulation filed on September 5, 2017, and reflects: (1) the ALJ’s dismissal of certain of the City Parties’ allegations in her Initial Decision Denying in Part and Granting in Part UGI’s Motion for Summary Judgment; and (2) the City Parties’ withdrawal of certain allegations in their Answer to UGI’s Motion for Summary Judgment. Accordingly, the parties hereby stipulate the following:

1. As an update to the Joint Stipulation filed on September 5, 2017, attached hereto as Exhibit “1” to this Stipulation are two copies of the Historic District Matrix. In the first, the parties have shaded in blue for each location: (1) the service install and meter indicator change dates, where either of those dates is before September 13, 2014 (*i.e.*, the location’s meter was installed or relocated before the amended 52 Pa. Code § 59.18 became effective); (2) the meter-to-curb distance if it is 15 feet or more (*i.e.*, this location is not subject to the City Parties’ claim that the meter’s placement violates 52 Pa. Code § 59.18(a)(5) and (b)(1) or 49 C.F.R. § 192.353(a)); and (3) all of the allegations that the City Parties are no longer contesting (*e.g.*, under a fire exit, in contact with soil or other corrosive materials, in an area where snow/ice accumulates). In the second, the parties have removed: (1) all locations whose meters were installed or relocated before September 13, 2014, and whose meter-to-curb distances are 15 feet or more; and (2) all the columns concerning the allegations that the City Parties are no longer contesting. All meter locations appearing in the second copy are still being contested by the City Parties in this proceeding.

2. As an update to the Joint Stipulation filed on September 5, 2017, attached hereto as Exhibit “2” to this Stipulation are two copies of the Non-Historic District Matrix. In the first, the parties have shaded in blue for each location: (1) the service install and meter indicator change dates, where either of those dates is before September 13, 2014 (*i.e.*, the location’s meter was installed or relocated before the amended 52 Pa. Code § 59.18 became effective); (2) the meter-to-curb distance if it is 15 feet or more (*i.e.*, this location is not subject to the City Parties’ claim that the meter’s placement violates 52 Pa. Code § 59.18(a)(5) and (b)(1) or 49 C.F.R. § 192.353(a)); and (3) all of the allegations that the City Parties are no longer contesting (*e.g.*, under a fire exit, in contact with soil, in an area where snow/ice accumulates). In the second, the

parties have removed: (1) all locations whose meters were installed or relocated before September 13, 2014, and whose meter-to-curb distances are 15 feet or more; and (2) all the columns concerning the allegations that the City Parties are no longer contesting. All meter locations appearing in the second copy are still being contested by the City Parties in this proceeding.

3. Every meter identified on the Historic District Matrix, attached hereto as Exhibit “1”, is located within a historic district for purposes of 52 Pa. Code § 59.18(d)(1)(ii).

4. Every meter identified on the Non-Historic District Matrix, attached hereto as Exhibit “2”, is not located within a historic district for purposes of 52 Pa. Code § 59.18(d)(ii), provided that this stipulation shall not be considered as an admission by the City Parties that the properties identified on the Non-Historic District could not be eligible for historic designation or inclusion in a historic district, now or in the future.

5. UGI and City Parties formally adopt the factual stipulations regarding meter locations/permit data as set forth on the Historic District Matrix attached hereto as Exhibit “1”, identified by a “Y” in those columns titled “UGI Stipulates” and “City/CPHD Stipulation/Objection”, provided that any such stipulation shall not be construed as an admission that said meters were installed in violation of Section 35.10.10 of UGI’s Gas Operations Manual, any provision of the Public Utility Code, or any Commission regulation or order.

6. UGI and City Parties formally adopt the factual stipulations regarding meter locations/permit data as set forth on the Non-Historic District Matrix attached hereto as Exhibit “2”, identified by a “Y” in those columns titled “UGI Stipulates” and “City/CPHD Stipulation/Objection”, provided that any such stipulation shall not be construed as an admission

that said meters were installed in violation of Section 35.10.10 of UGI's Gas Operations Manual, any provision of the Public Utility Code, or any Commission regulation or order.

7. UGI and City Parties stipulate to the service line installation date and meter indicator change date for each address, indicated in the columns titled "Service Install Date" and "UGI Final Meter Indicator Change Date" on the Historic District Matrix, attached hereto as Exhibit "1", and on the Non-Historic District Matrix, attached hereto as Exhibit "2".

8. Every meter location and meter infrastructure identified on the Historic District Matrix, attached hereto as Exhibit "1", and the Non-Historic District Matrix, attached hereto as Exhibit "2", is located outside, provided that this stipulation does not apply to any address where the service is indicated as "inactive" in the column titled "Service Install Date" on both matrices.

9. 52 Pa. Code § 59.18, as amended, became effective and applied to new or replaced meters, regulators, or service line installations beginning on September 13, 2014, as explained by 52 Pa. Code §§ 59.18(g)(1)-(2).

10. UGI had two versions of Section 35.10.10 of its Gas Operations Manual in effect since September 13, 2014: the first version was in effect from September 13, 2014, through July 30, 2016; and the second version has been in effect from July 31, 2016, through the present.

11. The meters located at 229 West Douglass St. and 437 South 11<sup>th</sup> St., Reading, PA were located under fire escapes at the time City Parties completed the meter-by-meter survey, provided that this stipulation shall not be construed as an admission that said meters were installed in violation of Section 35.10.10 of UGI's Gas Operations Manual, any provision of the Public Utility Code, or any Commission regulation or order.

12. The meters located at 726 North 2nd St. and 1020 Weiser St. were in contact with the ground at the time the City Parties completed the meter-by-meter survey, provided that this

stipulation shall not be construed as an admission that said meters were installed in contact with soil or other potentially corrosive materials in violation of Section 35.10.10 of UGI's Gas Operations Manual, any provision of the Public Utility Code, any Commission order, or 52 Pa. Code § 59.18(a)(8)(vi).

Respectfully submitted,
