9/10/2018

Hello to whom it may concern,

I am asking for a Modification of orders 42PA, C.S.A section 3305. I did not receive the initial Decision dated 8/07/18, I would have appealed it and sent the information they needed for my case with West Penn Power. I am asking that I am ~~give~~ given the chance to send it the information,

Thank you
