PA. Public Utility Commission
Harrisburg, PA.

Rosemary Chiavetta,

I sent a request to you on August 10, 2018 requesting you to cancel our PUC number because my husband Joseph S. King is not able to drive. Our van has been sold and we are not transporting Amish people anymore.

I received a letter dated August 10, 2018 requesting a filing fee of \$10.00 in the form of a certified check or money order to cancel our PUC permit.

I responded to this letter saying that I am housebound caring for my very sick husband who is under Hospice care. So I am not able to get out to meet the above requirements. I sent a check of \$10.00 to cover the expense mentioned above. There is plenty money in my bank to cover this check. I sent this letter with the check to the personal attention of you.

Today I received a letter stating that a claim has been filed against my husband.

This is ridiculous in a way. It was very hard to get the PUC number in the first place, and I am finding it very difficult to get out of PUC.

Will you please help clear this up. I do not need this hassle to add to all I have to do at this stage of my life.

Thank you in advance,
Catharine E. King Mrs. Joseph S. King
