

PENNSYLVANIA UTILITY COMMISSION:

Hello i received the compliant today 9/25/2018.

I ask for an extension and if possible the \$500 fee can be waived,

I have been having hard times and business has been so slow that the funds were not available to obtain the insurance.

I have been working on somethings and still am and I expect to have the insurance back by the end of October Beginning of November.

I ask if i can have some extra time to get this situated that it will be greatly appreciated.

Thank you Brelyn Transportation LLC
