PETITION FOR EXTENSION OF TIME

TO: Judge Jeffrey Watson

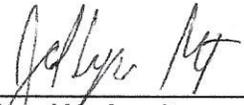

Due to the unexpected death of my grandfather, William DiNatale this past week on Wednesday, September 19, 2018, I am requesting an extension of time as the demand on my time is extreme. I received the paperwork for the First Set of Discovery Requests directed to complainant from the Tucker/Arensberg Attorneys the same day that I found out about the passing of my grandfather. It was very unexpected and disheartening to hear of his passing since he meant very much to myself and my family. My family and I are still in shock over the news. This past week I have been very busy with the scheduled funeral viewing, the mass the following day and the cemetery viewing. I did not have the time to even look over the paperwork from the Tucker/Arensberg Attorneys until Monday, September 24 due to family matters related to the passing of my grandfather.

Under the circumstances, I am petitioning for an ***Extension of Time*** in the amount of 30 days, as the ordinary time constraints are a hardship on me. The First Set of Discovery Requests directed to complainant contains 50 meticulous questions and is 18 pages long. I work full time and I am representing myself and plan on answering

each question in detail and need the full requested amount of time in order to answer accordingly.

I respectfully submit this petition for an extension of time in the amount of thirty days from today, or until Thursday, October 25, 2018. I believe that if I do not hear from you within 3 days, my request for a 30 day extension is granted. Please consider my request favorably.
